

1

00:00:22,200 --> 00:00:25,100

the process of war is fraught with difficulty

2

00:00:25,733 --> 00:00:28,100

the experiences that befall us are seldom

3

00:00:28,100 --> 00:00:29,400

exactly repeatable

4

00:00:30,133 --> 00:00:30,933

there are times

5

00:00:30,933 --> 00:00:33,100

when the advancement of an army is rapid

6

00:00:33,100 --> 00:00:33,900

and there are other

7

00:00:33,900 --> 00:00:36,500

times when the advancement of an army is slow

8

00:00:37,200 --> 00:00:39,933

this circumstance gives rise to a number of different

9

00:00:39,933 --> 00:00:40,800

claims

10

00:00:41,533 --> 00:00:42,566

nevertheless

11

00:00:42,566 --> 00:00:45,800

not all assertions can be relied upon to be correct

12

00:00:46,600 --> 00:00:48,500

claims can sometimes be considered

13

00:00:48,500 --> 00:00:50,800

one of the weapons that are used in warfare

14

00:00:51,533 --> 00:00:52,800

one's mental health can

15

00:00:52,800 --> 00:00:55,200

also be improved using this approach

16

00:00:55,800 --> 00:00:59,200

in the ongoing conflict between Russia and Ukraine

17

00:00:59,200 --> 00:01:02,266

we are currently experiencing something very similar

18

00:01:02,933 --> 00:01:05,733

it should come as no surprise that the battlegrounds in

19

00:01:05,733 --> 00:01:09,200

Ukraine are also experiencing a psychological war

20

00:01:09,933 --> 00:01:11,066

in just a moment

21

00:01:11,066 --> 00:01:12,666

we are going to take a look at the most

22

00:01:12,666 --> 00:01:14,366

recent scenario on the frontlines

23

00:01:14,366 --> 00:01:15,400

using a map

24

00:01:16,000 --> 00:01:18,800

the most recent information suggests that the fighting

25

00:01:18,800 --> 00:01:21,566

between the Ukrainian army and the Russian army is

26

00:01:21,566 --> 00:01:22,500

currently dispersed

27

00:01:22,500 --> 00:01:25,133

across all five sectors of the battlefield

28

00:01:25,866 --> 00:01:26,800
developments that are

29

00:01:26,800 --> 00:01:28,800
quite astonishing are taking place

30

00:01:28,933 --> 00:01:29,733
in particular

31

00:01:29,733 --> 00:01:32,600
in the beholder section of the Suprisia front slide

32

00:01:33,333 --> 00:01:34,266
to that end

33

00:01:34,366 --> 00:01:36,566
what are the most recent developments on the front

34

00:01:36,566 --> 00:01:37,366
slide

35

00:01:38,000 --> 00:01:40,566
remember to sign up for our channel's internal alerts

36

00:01:40,566 --> 00:01:42,700
so that you won't miss out on the map reports

37

00:01:42,700 --> 00:01:45,066
and daily reports that we will be providing

38

00:01:45,666 --> 00:01:49,100
in addition to that I am reading all of your remarks

39

00:01:49,666 --> 00:01:52,133
I ask that you keep using the comments section

40

00:01:52,133 --> 00:01:52,766
to share your

41

00:01:52,766 --> 00:01:54,900

thoughts about the content we provide

42

00:01:55,600 --> 00:01:56,400

let's just go

43

00:01:56,400 --> 00:01:56,700

right

44

00:01:56,700 --> 00:01:59,600

into today's map report by discussing the frontline in

45

00:01:59,600 --> 00:02:00,400

Zaprisia

46

00:02:01,200 --> 00:02:02,566

yes to begin

47

00:02:02,566 --> 00:02:03,900

let's have a look at the map

48

00:02:03,900 --> 00:02:05,366

and the front line of Suprisia

49

00:02:05,366 --> 00:02:06,733

from a bird's eye view

50

00:02:07,466 --> 00:02:09,400

let's simply begin with the most recent

51

00:02:09,400 --> 00:02:11,333

happenings in the Robotni line

52

00:02:11,333 --> 00:02:12,133

shall we

53

00:02:12,733 --> 00:02:15,300

when we discuss the situation in this area

54

00:02:15,333 --> 00:02:16,900

there are some regions that come up

55

00:02:16,900 --> 00:02:19,133
rather frequently in our conversation

56

00:02:19,966 --> 00:02:21,800
some of them are called robotnus

57

00:02:21,800 --> 00:02:23,800
and their names include Capani

58

00:02:23,800 --> 00:02:25,733
Novapro and capifca

59

00:02:26,400 --> 00:02:27,666
in recent days

60

00:02:27,666 --> 00:02:29,366
it has come to our attention that the

61

00:02:29,366 --> 00:02:31,200
Ukrainian army has been exerting

62

00:02:31,200 --> 00:02:32,866
pressure on these regions

63

00:02:33,566 --> 00:02:35,166
first let's have a look at where

64

00:02:35,166 --> 00:02:36,900
the Capani region is located

65

00:02:36,900 --> 00:02:38,866
on the map the most

66

00:02:38,866 --> 00:02:41,133
recent information indicates that artillery

67

00:02:41,133 --> 00:02:41,800
forces from

68

00:02:41,800 --> 00:02:44,066

Ukraine have commenced an attack in the area

69

00:02:44,066 --> 00:02:45,466
that is being targeted

70

00:02:46,100 --> 00:02:49,133
let's shift our focus now to the Capani region

71

00:02:49,800 --> 00:02:53,066
the Ukrainian army is depicted as attacking Capani

72

00:02:53,066 --> 00:02:54,700
from this direction on the map

73

00:02:54,700 --> 00:02:55,933
which is the east

74

00:02:56,533 --> 00:02:58,966
the most recent reports indicate that there have been

75

00:02:58,966 --> 00:03:00,866
scuffles in the region's suburbs

76

00:03:00,866 --> 00:03:02,933
and we are aware of this information

77

00:03:03,600 --> 00:03:05,000
in fact it is not

78

00:03:05,000 --> 00:03:06,900
completely inaccurate to state that the

79

00:03:06,900 --> 00:03:09,900
Ukrainian army is making an effort to extend the front

80

00:03:09,900 --> 00:03:11,566
line in this area as well

81

00:03:12,366 --> 00:03:14,533
this is also the location where the Aproca

82

00:03:14,533 --> 00:03:15,400

Pica district

83

00:03:15,400 --> 00:03:16,400

comes to an end

84

00:03:17,200 --> 00:03:19,200

as a direct consequence of this

85

00:03:19,333 --> 00:03:22,000

the Ukrainian army curtailed the number of attacks

86

00:03:22,000 --> 00:03:24,133

it was launching in the direction of Robertney

87

00:03:24,133 --> 00:03:26,866

and instead focused its efforts on this region

88

00:03:27,666 --> 00:03:28,766

in this location

89

00:03:28,766 --> 00:03:30,566

they centralized their assault on the

90

00:03:30,566 --> 00:03:32,366

Ukrainian armed forces

91

00:03:32,366 --> 00:03:35,133

coming from the northeast towards novobracopita

92

00:03:35,766 --> 00:03:36,733

it has also been

93

00:03:36,733 --> 00:03:37,500

stated that the

94

00:03:37,500 --> 00:03:40,566

Ukrainian army is increasing its regions of dominance

95

00:03:40,566 --> 00:03:41,266

in some of the

96

00:03:41,266 --> 00:03:43,500
territories located in this region

97

00:03:44,133 --> 00:03:45,500
in this context

98

00:03:45,500 --> 00:03:48,533
we might discuss the use of many layers of attack

99

00:03:49,200 --> 00:03:50,333
we are aware that the

100

00:03:50,333 --> 00:03:52,200
Ukrainian army has successfully

101

00:03:52,200 --> 00:03:53,566
diverted the attention of the

102

00:03:53,566 --> 00:03:56,200
Russian army by rapidly shifting the focal point

103

00:03:56,200 --> 00:03:57,400
of its attacks

104

00:03:58,066 --> 00:04:00,666
before we can declare that the Ukrainian army has

105

00:04:00,666 --> 00:04:02,366
primarily been implementing the plan

106

00:04:02,366 --> 00:04:03,466
in recent time

107

00:04:03,533 --> 00:04:04,166
we will need to

108

00:04:04,166 --> 00:04:05,400
observe it over the next few

109

00:04:05,400 --> 00:04:08,300

days to determine whether or not it will be successful

110

00:04:09,000 --> 00:04:10,533

let's put an end to the recent

111

00:04:10,533 --> 00:04:12,400

happenings surrounding the remote

112

00:04:12,500 --> 00:04:14,366

tiny part of the Zaprisia frontline

113

00:04:14,366 --> 00:04:16,266

by taking a look at the recent attacks

114

00:04:16,266 --> 00:04:18,300

that artillery units have launched

115

00:04:18,900 --> 00:04:20,966

you are aware that the Russian artillery

116

00:04:20,966 --> 00:04:21,600

troops in the

117

00:04:21,600 --> 00:04:24,500

Ukrainian artillery units are both putting in a lot of

118

00:04:24,500 --> 00:04:27,466

effort particularly on the Zaprisia frontline

119

00:04:28,133 --> 00:04:30,333

the most recent information indicates that

120

00:04:30,333 --> 00:04:32,200

Russian artillery units have attacked

121

00:04:32,200 --> 00:04:34,000

Ukrainian positions in the Malaya

122

00:04:34,000 --> 00:04:35,300

Tukmachka region

123

00:04:35,966 --> 00:04:37,000

on the other hand

124

00:04:37,100 --> 00:04:38,400

it was operational in the

125

00:04:38,400 --> 00:04:39,666

Ukrainian artillery

126

00:04:39,666 --> 00:04:43,133

in the towns of novaprakapivka and novaprakapavka

127

00:04:43,900 --> 00:04:46,566

now let's go on to the next part of our study

128

00:04:46,566 --> 00:04:49,600

which covers the Zaprizia frontline's Wilder portion

129

00:04:50,266 --> 00:04:52,933

it is clear from this that novomirosk is assuming

130

00:04:52,933 --> 00:04:53,800

an increasingly

131

00:04:53,800 --> 00:04:54,733

important role

132

00:04:55,366 --> 00:04:57,400

it has been discussed in the past

133

00:04:58,066 --> 00:05:01,100

the Ukrainian army is extending the frontline

134

00:05:01,800 --> 00:05:04,200

the result of this is that the Russian army will

135

00:05:04,200 --> 00:05:06,400

expand its territory of operation

136

00:05:07,100 --> 00:05:08,466
to put it another way

137

00:05:08,533 --> 00:05:09,333
the formidable

138

00:05:09,333 --> 00:05:11,966
Russian defensive lines are progressively becoming

139

00:05:11,966 --> 00:05:13,100
less robust

140

00:05:13,733 --> 00:05:15,466
recent sources reveal that

141

00:05:15,466 --> 00:05:16,400
certain units of the

142

00:05:16,400 --> 00:05:19,133
Russian army have relocated to this region from other

143

00:05:19,133 --> 00:05:20,333
parts of the country

144

00:05:21,000 --> 00:05:22,300
up until this point

145

00:05:22,300 --> 00:05:24,733
the Russian military has carried out attacks

146

00:05:24,733 --> 00:05:25,900
all over the region

147

00:05:26,533 --> 00:05:27,566
on the other hand

148

00:05:27,600 --> 00:05:30,600
it was unable to make any appreciable progress

149

00:05:31,166 --> 00:05:32,566

the Russian operation in the

150

00:05:32,566 --> 00:05:34,466

Pyrenees was initially successful

151

00:05:34,466 --> 00:05:35,466

in prevailing over the

152

00:05:35,466 --> 00:05:38,166

Ukrainian defense in the Novo virus

153

00:05:38,733 --> 00:05:40,300

in this part of the country

154

00:05:40,300 --> 00:05:41,066

we can say

155

00:05:41,066 --> 00:05:44,133

that the Ukrainian army is in a defensive stance

156

00:05:44,800 --> 00:05:45,866

on the other hand

157

00:05:46,000 --> 00:05:48,333

judging from the most recent time period

158

00:05:48,333 --> 00:05:49,600

it would be inaccurate of me

159

00:05:49,600 --> 00:05:52,266

to conclude that this represents a decline in power

160

00:05:53,300 --> 00:05:54,966

we are aware that in the past

161

00:05:54,966 --> 00:05:55,166

the

162

00:05:55,166 --> 00:05:58,166

Ukrainian army has advanced into defensive positions

163

00:05:58,166 --> 00:05:59,366
and gained many points

164

00:05:59,366 --> 00:06:01,133
and then proceeded to make advances

165

00:06:01,133 --> 00:06:02,566
by moving on to defensive

166

00:06:02,566 --> 00:06:04,700
gains within a short period of time

167

00:06:05,466 --> 00:06:08,300
during the time that it is in defensive positions

168

00:06:08,300 --> 00:06:10,800
the Ukrainian army is reducing the number of

169

00:06:10,800 --> 00:06:11,600
Russian forces

170

00:06:11,600 --> 00:06:12,566
stationed there

171

00:06:13,300 --> 00:06:15,866
the current state of affairs gives the Ukrainian

172

00:06:15,866 --> 00:06:17,400
troops the opportunity to make

173

00:06:17,400 --> 00:06:19,766
quicker headway once they take the attack

174

00:06:20,466 --> 00:06:22,966
this is made possible by the situation

175

00:06:23,766 --> 00:06:24,933
as a consequence

176

00:06:24,933 --> 00:06:25,800

it is possible

177

00:06:25,800 --> 00:06:26,100
that the

178

00:06:26,100 --> 00:06:28,866
Ukrainian army has begun preparations for a new

179

00:06:28,866 --> 00:06:29,400
offensive

180

00:06:29,400 --> 00:06:32,100
by moving into a defensive posture in the region

181

00:06:32,733 --> 00:06:34,600
in this particular instance

182

00:06:34,600 --> 00:06:34,966
we can

183

00:06:34,966 --> 00:06:37,933
also see that the artillery units of both armies are

184

00:06:37,933 --> 00:06:39,366
engaged in combat

185

00:06:40,100 --> 00:06:41,533
the most recent information

186

00:06:41,533 --> 00:06:44,300
is that a Russian artillery unit was responsible for

187

00:06:44,300 --> 00:06:46,066
hitting Ukrainian positions near

188

00:06:46,066 --> 00:06:47,900
yorkii and stromaresk

189

00:06:48,666 --> 00:06:51,600
the Russian positions in the provinces of Innabagina

190

00:06:51,666 --> 00:06:53,566

Stromolinka Kermanchek

191

00:06:53,566 --> 00:06:54,500

and Novedonsk

192

00:06:54,500 --> 00:06:55,866

and novamyrosk came

193

00:06:55,866 --> 00:06:58,366

under fire from artillery units belonging to the

194

00:06:58,366 --> 00:06:59,800

Ukrainian military

195

00:07:00,466 --> 00:07:02,166

let's move on to the most recent

196

00:07:02,166 --> 00:07:04,400

events that have transpired on the front lines

197

00:07:04,400 --> 00:07:05,500

near Donutsk

198

00:07:06,133 --> 00:07:09,266

this situation lacks any element of projectivity

199

00:07:10,066 --> 00:07:12,200

once again we are in a situation

200

00:07:12,200 --> 00:07:14,166

that is very analogous to that of our

201

00:07:14,166 --> 00:07:15,500

earlier reports

202

00:07:16,133 --> 00:07:16,866

today

203

00:07:16,866 --> 00:07:19,533

Russian military forces will resume their assaults

204

00:07:19,533 --> 00:07:20,300
in the general

205

00:07:20,300 --> 00:07:21,566
direction of Marinka

206

00:07:22,266 --> 00:07:23,300
despite this

207

00:07:23,333 --> 00:07:25,533
the Russian troops were the first to retreat

208

00:07:25,533 --> 00:07:27,866
since they were unable to make any headway

209

00:07:28,500 --> 00:07:31,300
heavy casualties are being inflicted onto the Russian

210

00:07:31,300 --> 00:07:32,666
troops in this region

211

00:07:32,700 --> 00:07:35,400
particularly during the marine corporations

212

00:07:36,000 --> 00:07:37,733
however despite this

213

00:07:37,766 --> 00:07:40,100
the Russian army is not going to back down

214

00:07:40,100 --> 00:07:41,066
from its insistence

215

00:07:41,066 --> 00:07:41,866
on this point

216

00:07:42,666 --> 00:07:45,166
in fact the region is not very vital

217

00:07:45,166 --> 00:07:46,900
from a strategic standpoint

218

00:07:46,900 --> 00:07:48,066
but despite this

219

00:07:48,100 --> 00:07:50,866
I believe that the path that Marine Cache is on

220

00:07:50,866 --> 00:07:52,733
should be studied very closely

221

00:07:53,400 --> 00:07:55,666
now that we've covered the forward frontline

222

00:07:55,666 --> 00:07:57,166
let's talk about the artillery

223

00:07:57,166 --> 00:07:58,866
operations that are taking place

224

00:07:58,866 --> 00:07:59,733
in the area

225

00:08:00,566 --> 00:08:01,333
you are aware that

226

00:08:01,333 --> 00:08:03,566
whenever we discuss the Donuts frontline

227

00:08:03,566 --> 00:08:05,933
we frequently include artillery attacks

228

00:08:05,933 --> 00:08:08,266
because to the fact that the map does not alter

229

00:08:08,266 --> 00:08:09,366
very frequently

230

00:08:10,066 --> 00:08:12,066

the most recent reports indicate that

231

00:08:12,066 --> 00:08:13,466

Russian artillery fire

232

00:08:13,466 --> 00:08:15,533

is being directed toward Marine Kaa

233

00:08:15,600 --> 00:08:18,000

while Ukrainian artillery fire is being

234

00:08:18,000 --> 00:08:20,166

directed toward Donuts and Grilovka

235

00:08:20,966 --> 00:08:22,900

when we check in the rear with frontline

236

00:08:22,900 --> 00:08:23,400

we find

237

00:08:23,400 --> 00:08:26,500

that the Ukrainian army is continuing its operation on

238

00:08:26,500 --> 00:08:27,933

Klich Chiefka

239

00:08:27,933 --> 00:08:30,066

Andrevka and kurdavivka

240

00:08:30,766 --> 00:08:32,533

this is something that we can see

241

00:08:33,300 --> 00:08:36,266

according to a number of reports from various sources

242

00:08:36,266 --> 00:08:39,333

the Ukrainian army has taken control of andrevca

243

00:08:40,166 --> 00:08:42,366

nevertheless as of this moment

244

00:08:42,400 --> 00:08:44,666

we are unable to offer any confirmation

245

00:08:44,666 --> 00:08:46,500

of the aforementioned information

246

00:08:47,200 --> 00:08:49,933

the Andrifka region is a very important one

247

00:08:50,666 --> 00:08:53,766

the location of Andrifka which can be seen on the map

248

00:08:53,766 --> 00:08:55,966

may be found to the south of clashifka

249

00:08:56,733 --> 00:08:58,800

as a result the acquisition of

250

00:08:58,800 --> 00:09:01,366

control over this region by the Ukrainian army

251

00:09:01,366 --> 00:09:03,900

will further facilitate the offensive operation

252

00:09:03,900 --> 00:09:05,366

that is currently underway in

253

00:09:05,366 --> 00:09:07,500

Klashifka by the Ukrainian army

254

00:09:08,133 --> 00:09:11,500

when compared to the previous few days Lowland Sky

255

00:09:11,500 --> 00:09:14,500

the north and the front were even more active

256

00:09:15,133 --> 00:09:16,300

you are aware that the

257

00:09:16,300 --> 00:09:19,200

Ukrainian army is also marching in this area

258

00:09:19,200 --> 00:09:21,566

and they are frequently attempting to draw attention

259

00:09:21,566 --> 00:09:23,200

away from the Russian force

260

00:09:23,866 --> 00:09:25,500

recent sources indicate that

261

00:09:25,500 --> 00:09:25,866

Russian

262

00:09:25,866 --> 00:09:28,766

troops have carried out a series of attacks in Serbia

263

00:09:28,766 --> 00:09:30,300

on the initial places that were

264

00:09:30,300 --> 00:09:31,200

targeted there

265

00:09:31,966 --> 00:09:33,066

on the other hand

266

00:09:33,100 --> 00:09:34,366

the Ukrainian defence

267

00:09:34,366 --> 00:09:34,700

first

268

00:09:34,700 --> 00:09:36,866

in the region was successful in fending off these

269

00:09:36,866 --> 00:09:37,800

assaults

270

00:09:38,500 --> 00:09:40,866

once again defensive positions have been

271

00:09:40,866 --> 00:09:43,100
assumed by Ukraine in this region

272

00:09:43,866 --> 00:09:45,300
as a result everything

273

00:09:45,300 --> 00:09:47,533
that we have discussed with regard to the Wilder

274

00:09:47,533 --> 00:09:48,733
sector of the Sapricia

275

00:09:48,733 --> 00:09:51,366
frontline is applicable to this area as well

276

00:09:52,133 --> 00:09:53,800
we're going to keep an eye on it

277

00:09:54,400 --> 00:09:56,200
and what are your thoughts about that

278

00:09:56,933 --> 00:09:57,700
do you believe

279

00:09:57,700 --> 00:10:00,600
that the Ukrainian army is in a strategic position

280

00:10:00,600 --> 00:10:03,500
and that the Suprezia frontline has been successful

281

00:10:04,166 --> 00:10:04,900
do you believe

282

00:10:04,900 --> 00:10:05,200
that the

283

00:10:05,200 --> 00:10:07,666
Russian forces have reached their breaking point

284

00:10:08,466 --> 00:10:09,800

what are the next steps that the

285

00:10:09,800 --> 00:10:11,933

Ukrainian army intends to take

286

00:10:12,800 --> 00:10:14,333

mention it in the comments

287

00:10:14,333 --> 00:10:17,066

as I will be reading and responding to each and every

288

00:10:17,066 --> 00:10:17,866

one of them

289

00:10:18,466 --> 00:10:20,366

a military leader from Ukraine

290

00:10:20,366 --> 00:10:21,666

stated on Friday that

291

00:10:21,666 --> 00:10:24,666

Ukrainian forces were successful in retaking a war

292

00:10:24,666 --> 00:10:26,466

torn settlement in the conflict torn

293

00:10:26,466 --> 00:10:27,866

eastern part of the nation

294

00:10:28,566 --> 00:10:31,133

a little territorial advance was made during a

295

00:10:31,133 --> 00:10:33,100

churning counterattack that was marked by

296

00:10:33,100 --> 00:10:35,466

numerous successes of lesser significance

297

00:10:35,466 --> 00:10:37,166

but no big breakthroughs

298

00:10:37,766 --> 00:10:38,966
on the other side

299

00:10:38,966 --> 00:10:40,200
the Ukrainian Defence

300

00:10:40,200 --> 00:10:43,133
Forces were successful in destroying the BM30

301

00:10:43,133 --> 00:10:45,066
Smirch used by the adversary

302

00:10:45,800 --> 00:10:48,200
Emaloras a Ukrainian soldier

303

00:10:48,266 --> 00:10:50,333
posted a picture of a Russian occupation

304

00:10:50,333 --> 00:10:52,900
army heavy self propelled multiple missile launcher

305

00:10:52,900 --> 00:10:54,366
that had been destroyed in flames

306

00:10:54,366 --> 00:10:56,366
on the social networking site Twitter

307

00:10:57,066 --> 00:10:59,900
the Ukrainian armed forces don't typically take

308

00:10:59,900 --> 00:11:01,700
aim at targets of this nature

309

00:11:02,400 --> 00:11:03,700
up until this point

310

00:11:03,733 --> 00:11:06,666
it was only known that one of these 300mm

311

00:11:06,933 --> 00:11:09,066

emaloras had been destroyed

312

00:11:09,700 --> 00:11:11,766

the capture of the town of Andrivka

313

00:11:11,766 --> 00:11:13,400

which is located approximately

314

00:11:13,400 --> 00:11:14,666

10 kilometers or

315

00:11:14,666 --> 00:11:17,000

six miles south of the city of Bachman

316

00:11:17,066 --> 00:11:19,333

which is controlled by the Russian military

317

00:11:19,333 --> 00:11:19,900

highlights

318

00:11:19,900 --> 00:11:22,733

exactly how savage the multipron counterattack on

319

00:11:22,733 --> 00:11:24,500

Ukraine is shaping up to be

320

00:11:25,366 --> 00:11:28,766

after months of fierce warfare and significant losses

321

00:11:28,766 --> 00:11:30,666

Ukraine is claiming very limited

322

00:11:30,666 --> 00:11:32,333

territorial advances in the

323

00:11:32,333 --> 00:11:34,200

east and south of the country

324

00:11:34,866 --> 00:11:36,866

this is the case despite the fact that

325

00:11:36,866 --> 00:11:38,600

Ukraine is supported by NATO

326

00:11:38,600 --> 00:11:41,133

standard weapons worth billions of dollars

327

00:11:41,900 --> 00:11:42,533

officials in the

328

00:11:42,533 --> 00:11:45,266

Ukrainian armed forces have stated that there is no

329

00:11:45,266 --> 00:11:48,100

quick option to pierce the Russian defence lines

330

00:11:48,133 --> 00:11:51,133

only tedious and grinding warfare is available

331

00:11:51,866 --> 00:11:52,566

the aim of the

332

00:11:52,566 --> 00:11:54,400

Ukraine appears to be to disperse

333

00:11:54,400 --> 00:11:54,766

Russian

334

00:11:54,766 --> 00:11:57,200

soldiers along the lines in a number of different

335

00:11:57,200 --> 00:11:58,600

directions beginning with

336

00:11:58,600 --> 00:11:59,966

expansive agricultural

337

00:11:59,966 --> 00:12:02,600

tracts in the east and ending at the Nico River

338

00:12:03,466 --> 00:12:06,166

it is conceivable that Ukrainian progress will be

339

00:12:06,166 --> 00:12:09,066

slowed down by the damp weather of fall and winter

340

00:12:09,766 --> 00:12:12,466

next week President Vladimir Zalinski

341

00:12:12,466 --> 00:12:12,666

will

342

00:12:12,666 --> 00:12:15,400

travel to Washington in the midst of ongoing debate

343

00:12:15,400 --> 00:12:18,333

in Congress regarding the approval of more funding

344

00:12:19,000 --> 00:12:19,700

the offensive

345

00:12:19,700 --> 00:12:20,600

operation that the

346

00:12:20,600 --> 00:12:22,966

Ukrainian armed forces have been conducting

347

00:12:22,966 --> 00:12:24,266

in the Melatopol sector

348

00:12:24,266 --> 00:12:25,566

is still ongoing

349

00:12:26,300 --> 00:12:29,466

operations of offensive attack in the back much sector

350

00:12:29,500 --> 00:12:30,266

with the goal of

351

00:12:30,266 --> 00:12:31,000

eliminating the

352

00:12:31,000 --> 00:12:34,266

enemy and progressively releasing captured territories

353

00:12:34,900 --> 00:12:36,266

according to the post

354

00:12:36,266 --> 00:12:38,366

as a result of the assault efforts

355

00:12:38,366 --> 00:12:39,666

the defending forces

356

00:12:39,666 --> 00:12:42,266

obtained some level of success near clashifka

357

00:12:42,266 --> 00:12:44,066

in the daenetskaria and robiton

358

00:12:44,066 --> 00:12:45,700

in the zaparigia region

359

00:12:46,366 --> 00:12:49,066

they were successful in driving the adversary out of

360

00:12:49,066 --> 00:12:50,500

occupied locations and

361

00:12:50,500 --> 00:12:53,000

entrenching themselves on the achieved lines

362

00:12:53,600 --> 00:12:56,100

The Ukrainian Rocket Forces were successful

363

00:12:56,100 --> 00:12:57,133

in destroying two

364

00:12:57,133 --> 00:12:58,733

Russian artillery pieces

365

00:12:58,733 --> 00:13:00,133

an ammo storage

366

00:13:00,133 --> 00:13:03,533

a command center and an anti aircraft missile system

367

00:13:04,266 --> 00:13:04,900

there are now

368

00:13:04,900 --> 00:13:07,466

25 of these types of unmanned aerial

369

00:13:07,466 --> 00:13:10,733

systems in service with the Defence Forces of Ukraine

370

00:13:11,466 --> 00:13:13,100

since the spring of this year

371

00:13:13,133 --> 00:13:15,100

these unmanned aerial vehicles

372

00:13:15,266 --> 00:13:17,766

uavs have been providing assistance to the

373

00:13:17,766 --> 00:13:19,800

Ukrainian military in the destruction of

374

00:13:19,800 --> 00:13:21,566

enemy weaponry and equipment

375

00:13:22,533 --> 00:13:23,966

uavs were given away

376

00:13:23,966 --> 00:13:26,166

as part of the Comeback Alive Foundation's

377

00:13:26,166 --> 00:13:27,400

Eye for an eye effort

378

00:13:27,466 --> 00:13:30,100

which involved the exchange of donated equipment

379

00:13:30,900 --> 00:13:32,566

Russian forces are launching their

380

00:13:32,566 --> 00:13:34,000

onslaught in the northeast

381

00:13:34,000 --> 00:13:37,466

with the assistance of an unmanned aerial vehicle UAV

382

00:13:37,666 --> 00:13:38,700

with the goal of pinning

383

00:13:38,700 --> 00:13:41,366

Ukrainian soldiers and distracting them from fighting

384

00:13:41,366 --> 00:13:42,166

elsewhere

385

00:13:42,766 --> 00:13:45,866

the Russian forces at Andrifka were finally worn down

386

00:13:45,866 --> 00:13:48,066

after three months of heavy fighting

387

00:13:48,600 --> 00:13:51,266

Andrifka was a little area of the broad front

388

00:13:51,266 --> 00:13:52,533

that allowed the Ukrainian

389

00:13:52,533 --> 00:13:55,166

3rd Assault Brigade to launch a rapid move to

390

00:13:55,166 --> 00:13:57,100

encircle the Russian positions

391

00:13:57,700 --> 00:14:00,566

the retaking of Andrifka comes a few weeks after

392

00:14:00,566 --> 00:14:02,666

Ukrainian forces scored a crucial

393

00:14:02,666 --> 00:14:05,466

tactical win in the southern zapariscia region

394

00:14:06,166 --> 00:14:07,666

there they broke past

395

00:14:07,666 --> 00:14:08,366

Russia's first

396

00:14:08,366 --> 00:14:11,466

line of defense and retook the settlement of Robitin

397

00:14:12,200 --> 00:14:14,866

this victory allowed them to take Andrifka

398

00:14:15,566 --> 00:14:18,400

the wind which was revealed in late August

399

00:14:18,466 --> 00:14:19,000

came after

400

00:14:19,000 --> 00:14:21,866

hard fighting that had begun in June and had continued

401

00:14:21,866 --> 00:14:23,300

until just 7km

402

00:14:23,700 --> 00:14:25,666

or approximately 4 miles

403

00:14:25,700 --> 00:14:28,300

had been advanced by Ukrainian forces

404

00:14:28,900 --> 00:14:30,400

early on Friday morning

405

00:14:30,400 --> 00:14:32,300

the General Staff of the Ukrainian

406

00:14:32,300 --> 00:14:33,200

Armed Forces

407

00:14:33,200 --> 00:14:36,000

made the announcement that Andrifka had been retaken

408

00:14:36,666 --> 00:14:39,533

there was neither a confirmation nor a response made by

409

00:14:39,533 --> 00:14:41,366

Russian officials on this matter

410

00:14:42,000 --> 00:14:43,700

it was a rapid operation

411

00:14:43,700 --> 00:14:45,866

according to the 3rd Assault Brigade

412

00:14:45,866 --> 00:14:47,133

which surrounded the Russian

413

00:14:47,133 --> 00:14:48,900

garrison in the village of Andrifka

414

00:14:48,900 --> 00:14:51,400

and destroyed over the course of two days

415

00:14:52,066 --> 00:14:54,666

they stated this allowed them to take the village

416

00:14:55,300 --> 00:14:56,666

according to the report

417

00:14:56,766 --> 00:14:57,900

this achievement was a

418

00:14:57,900 --> 00:15:00,100

breakthrough on the southern flank of Bachman

419

00:15:00,100 --> 00:15:00,400

and the

420

00:15:00,400 --> 00:15:03,200

essential component to achieving success in any

421

00:15:03,200 --> 00:15:04,900

and all other directions

422

00:15:05,500 --> 00:15:08,100

at best the retaking of andreaevca

423

00:15:08,100 --> 00:15:11,333

which had a pre war population of less than 100 people

424

00:15:11,466 --> 00:15:13,700

enables Ukrainian forces to maneuver

425

00:15:13,700 --> 00:15:15,566

with greater ease near Bachman

426

00:15:15,566 --> 00:15:16,866

a city that was formally

427

00:15:16,866 --> 00:15:18,366

well known for its salt mining

428

00:15:18,366 --> 00:15:20,566

but is now completely in ruins

429

00:15:21,133 --> 00:15:23,133

the battle for control of Bachman

430

00:15:23,166 --> 00:15:27,000

which lasted for 8 months and began in February 2022

431

00:15:27,166 --> 00:15:28,466

was the longest and most

432

00:15:28,466 --> 00:15:28,966

certainly the

433

00:15:28,966 --> 00:15:31,066
bloodiest of all the battles that took place

434

00:15:31,066 --> 00:15:32,400
throughout the conflict

435

00:15:33,000 --> 00:15:36,266
in May Russian soldiers were successful in seizing

436

00:15:36,266 --> 00:15:37,400
control of Bachman

437

00:15:37,400 --> 00:15:39,000
with assistance from mercenaries

438

00:15:39,000 --> 00:15:41,133
belonging to the Wagner Organization

439

00:15:41,900 --> 00:15:42,933
initially the

440

00:15:42,933 --> 00:15:45,700
3rd Assault Brigade disputed a statement made by the

441

00:15:45,700 --> 00:15:47,666
Ukrainian deputy defense minister

442

00:15:47,666 --> 00:15:50,900
and Amelia that indicated Andrevca was regained

443

00:15:51,566 --> 00:15:53,700
however early Friday morning

444

00:15:53,700 --> 00:15:55,166
the 3rd Assault Brigade

445

00:15:55,166 --> 00:15:58,000
verified that it had in fact reclaimed Andrevca

446

00:15:58,800 --> 00:16:00,600

she mentioned that it was challenging

447

00:16:00,600 --> 00:16:02,933

and the circumstances from the previous day

448

00:16:02,933 --> 00:16:05,766

shifted in a dynamic manner multiple times

449

00:16:06,466 --> 00:16:09,133

since the beginning of the counter offensive in June

450

00:16:09,166 --> 00:16:11,366

Ukraine has retaken control of around

451

00:16:11,366 --> 00:16:13,466

19 square miles of territory and

452

00:16:13,466 --> 00:16:16,000

50 square kilometers of area near Bachman

453

00:16:16,000 --> 00:16:17,300

according to Mellier

454

00:16:18,100 --> 00:16:19,366

late in the month of June

455

00:16:19,400 --> 00:16:22,200

Wagner leader Yevgeny Prigason LED his men from

456

00:16:22,200 --> 00:16:23,800

eastern Ukraine into Russia

457

00:16:23,800 --> 00:16:24,466

as part of a

458

00:16:24,466 --> 00:16:26,500

brief revolt that represented the greatest

459

00:16:26,500 --> 00:16:27,400

threat to President

460

00:16:27,400 --> 00:16:28,766

Vladimir Putin's reign

461

00:16:28,766 --> 00:16:31,566

over Russia after more than 20 years in power

462

00:16:32,466 --> 00:16:33,766

after two months

463

00:16:33,766 --> 00:16:36,366

Prigason and a number of his top lieutenants were

464

00:16:36,366 --> 00:16:37,866

killed in a mysterious plane

465

00:16:37,866 --> 00:16:41,066

crash while traveling from Moscow to ST Petersburg

466

00:16:41,700 --> 00:16:43,366

over the past three months

467

00:16:43,366 --> 00:16:45,366

Ukrainian forces have been working to

468

00:16:45,366 --> 00:16:48,266

encircle backmen from both the south and the north

469

00:16:48,266 --> 00:16:50,200

and they have made incremental advances

470

00:16:50,200 --> 00:16:51,166

toward their goal

471

00:16:52,100 --> 00:16:53,733

however military leaders

472

00:16:53,733 --> 00:16:55,466

have stated that they are successfully

473

00:16:55,466 --> 00:16:58,500

tiring Russian soldiers by keeping them in position

474

00:16:59,133 --> 00:17:01,166
analysts and US officials have

475

00:17:01,166 --> 00:17:03,300
questioned the expenditure of resources

476

00:17:03,300 --> 00:17:04,266
around the city

477

00:17:04,933 --> 00:17:06,533
within the daenetsk area

478

00:17:06,533 --> 00:17:08,666
the community of Andrifka may be found

479

00:17:08,666 --> 00:17:11,666
nestled in between the communities of Kurdia and Mifka

480

00:17:11,700 --> 00:17:13,700
as well as the heights of Kleshivka

481

00:17:14,366 --> 00:17:15,200
the Ukraine's

482

00:17:15,200 --> 00:17:17,900
General Staff stated that the conflict has been at an

483

00:17:17,900 --> 00:17:19,600
extremely high intensity

484

00:17:20,466 --> 00:17:22,366
as a part of the counter offensive

485

00:17:22,366 --> 00:17:23,100
its men were

486

00:17:23,100 --> 00:17:25,500
also responsible for significant casualties

487

00:17:25,500 --> 00:17:27,400
in the neighboring village of klishvka

488

00:17:28,133 --> 00:17:30,333
the victories in the south are believed to be of

489

00:17:30,333 --> 00:17:31,866
greater strategic importance

490

00:17:31,866 --> 00:17:32,533
since they bring

491

00:17:32,533 --> 00:17:35,600
Ukrainian troops closer to the sea of us off

492

00:17:35,733 --> 00:17:36,600
where they are in a better

493

00:17:36,600 --> 00:17:39,133
position to attempt to sever the land corridor

494

00:17:39,133 --> 00:17:40,966
leading to the Crimean Peninsula

495

00:17:40,966 --> 00:17:43,900
which Russia seized from Ukraine in 2014

496

00:17:45,066 --> 00:17:47,566
this would be a crucial step toward regaining

497

00:17:47,566 --> 00:17:49,533
control of the Crimean Peninsula

498

00:17:50,166 --> 00:17:53,133
if Crimea were to be cut off from the rest of Russia

499

00:17:53,166 --> 00:17:53,700
the Russian

500

00:17:53,700 --> 00:17:56,300

occupied region in the south would be divided

501

00:17:56,300 --> 00:17:58,600
and Moscow's supply lines in the south

502

00:17:58,600 --> 00:17:59,666
would be weakened

503

00:18:00,333 --> 00:18:02,966
according to the office of the Ukrainian president

504

00:18:03,000 --> 00:18:04,466
shelling in the conflict region

505

00:18:04,466 --> 00:18:06,333
resulted in the deaths of one person

506

00:18:06,333 --> 00:18:08,366
and injuries to six others

507

00:18:08,933 --> 00:18:09,766
in addition

508

00:18:09,766 --> 00:18:11,933
it said that airstrikes had been carried out

509

00:18:11,933 --> 00:18:13,566
against the town of Ward Give

510

00:18:13,666 --> 00:18:16,166
which is located in the Zaporitja province

511

00:18:17,066 --> 00:18:20,266
also on Friday Putin stated that over 300

512

00:18:20,266 --> 00:18:22,066
000 Russian citizens have signed

513

00:18:22,066 --> 00:18:24,333
volunteer military contracts this year

514

00:18:24,466 --> 00:18:26,866
stressing that the motivations behind their actions

515

00:18:26,866 --> 00:18:28,566
were extremely patriotic

516

00:18:29,266 --> 00:18:30,066
good

517

00:18:30,566 --> 00:18:31,366
good

518

00:18:32,000 --> 00:18:34,100
since the beginning of the conflict between

519

00:18:34,100 --> 00:18:35,466
Russia and Ukraine

520

00:18:35,566 --> 00:18:36,466
Chechen forces

521

00:18:36,466 --> 00:18:38,500
have been the focus of a significant amount of

522

00:18:38,500 --> 00:18:39,300
attention

523

00:18:40,066 --> 00:18:41,933
Chechen soldiers are being dispatched

524

00:18:41,933 --> 00:18:42,933
to provide support

525

00:18:42,933 --> 00:18:44,366
for Russian soldiers

526

00:18:44,400 --> 00:18:45,333
particularly in

527

00:18:45,333 --> 00:18:47,966

numerous locations where the Russian army is being

528

00:18:47,966 --> 00:18:48,900
challenged

529

00:18:49,566 --> 00:18:51,300
actually as a support

530

00:18:51,333 --> 00:18:52,166
it may not be

531

00:18:52,166 --> 00:18:54,066
exactly correct to suggest that

532

00:18:54,066 --> 00:18:55,700
Chechen soldiers of Catirov

533

00:18:55,700 --> 00:18:57,300
are being used as bait

534

00:18:58,066 --> 00:18:59,300
Hadirov is the puppet

535

00:18:59,300 --> 00:19:00,066
Chechen leader

536

00:19:00,066 --> 00:19:01,133
who is one of the loyal

537

00:19:01,133 --> 00:19:03,400
employees of Russian Federation President

538

00:19:03,400 --> 00:19:04,566
Vladimir Putin

539

00:19:05,300 --> 00:19:07,766
the majority of Chechen soldiers can be found

540

00:19:07,766 --> 00:19:09,400
in regions along the front line

541

00:19:09,400 --> 00:19:12,266

where the Ukrainian army is making progress

542

00:19:12,800 --> 00:19:15,066

you are aware that the front line of defence

543

00:19:15,066 --> 00:19:16,566

held by the Russian army in

544

00:19:16,566 --> 00:19:18,600

numerous locations is on the verge of

545

00:19:18,600 --> 00:19:19,700

breaking apart

546

00:19:20,266 --> 00:19:22,966

it is imperative that reinforcements be repeatedly

547

00:19:22,966 --> 00:19:24,766

dispatched to these regions

548

00:19:25,333 --> 00:19:26,400

on the other hand

549

00:19:26,533 --> 00:19:26,900

it is

550

00:19:26,900 --> 00:19:29,366

quite doubtful that the Russian armed forces will

551

00:19:29,366 --> 00:19:30,766

offer support of this kind

552

00:19:30,766 --> 00:19:31,566

at this time

553

00:19:32,300 --> 00:19:34,866

as a result Chechen military forces

554

00:19:34,866 --> 00:19:37,533

are being deployed to the respective territories

555

00:19:38,166 --> 00:19:40,333

bad news arrived for Chechen troops

556

00:19:40,333 --> 00:19:42,566

just as they were being dispatched to the frontline

557

00:19:42,566 --> 00:19:44,900

to meet the requirements of the Russian army

558

00:19:45,500 --> 00:19:47,166

an intriguing new development

559

00:19:47,166 --> 00:19:49,200

about the leader of the Chechen Republic

560

00:19:49,300 --> 00:19:50,733

Ramazan Khadirov

561

00:19:50,766 --> 00:19:51,866

has produced a great

562

00:19:51,866 --> 00:19:54,266

deal of surprise among the sources

563

00:19:54,800 --> 00:19:58,466

the question is where exactly is Ramazan Khadirav

564

00:19:59,166 --> 00:19:59,733

let's get

565

00:19:59,733 --> 00:20:02,133

together and take a look at the latest developments

566

00:20:02,133 --> 00:20:02,933

shall we

567

00:20:03,566 --> 00:20:05,100

there have been recent claims from

568

00:20:05,100 --> 00:20:07,000

Ukrainian and Russian media that the

569

00:20:07,000 --> 00:20:08,666

leader of the Chechen Republic

570

00:20:08,733 --> 00:20:11,366

Ramazan Khadirav is currently ill

571

00:20:12,100 --> 00:20:12,933

at first

572

00:20:13,000 --> 00:20:15,800

these claims did not receive a great deal of attention

573

00:20:15,800 --> 00:20:18,100

because there was no information regarding the reason

574

00:20:18,100 --> 00:20:20,500

the Chechen leader was admitted to the hospital for

575

00:20:20,500 --> 00:20:21,300

treatment

576

00:20:21,800 --> 00:20:22,900

on the other hand

577

00:20:22,966 --> 00:20:24,133

the main intelligence

578

00:20:24,133 --> 00:20:24,800

directorates of

579

00:20:24,800 --> 00:20:26,733

Ukraine have disseminated to the public

580

00:20:26,733 --> 00:20:29,200

a significant charge concerning Khadirov

581

00:20:29,866 --> 00:20:30,733

after that

582

00:20:30,733 --> 00:20:33,400

a lot of different things were added to the schedule

583

00:20:34,066 --> 00:20:36,300

the loyal puppet of the president of the Russian

584

00:20:36,300 --> 00:20:38,700

Federation Ramadan Khadirov

585

00:20:38,700 --> 00:20:39,800

will add in reputing

586

00:20:39,800 --> 00:20:43,000

has been in a coma for a very extended period of time

587

00:20:43,866 --> 00:20:45,066

in addition to that

588

00:20:45,066 --> 00:20:47,666

the Chechen soldiers who were serving on the frontline

589

00:20:47,666 --> 00:20:49,733

were kept in the dark about this intelligence

590

00:20:49,733 --> 00:20:50,700

for about a week

591

00:20:51,466 --> 00:20:52,400

both Russian and

592

00:20:52,400 --> 00:20:54,466

Chechen sources went through a significant

593

00:20:54,466 --> 00:20:55,400

period of shock

594

00:20:55,400 --> 00:20:57,000

after the advancements that were made

595

00:20:57,000 --> 00:20:58,533
by the primary intelligence

596

00:20:58,533 --> 00:20:59,866
directors of Ukraine

597

00:21:00,500 --> 00:21:03,966
initial reports from Russian sources refuted this claim

598

00:21:04,733 --> 00:21:06,466
nevertheless subsequent

599

00:21:06,466 --> 00:21:09,866
Russian sources also reported that Ramadan Cadirov

600

00:21:09,900 --> 00:21:12,733
the leader of the Chechen people was in a coma

601

00:21:13,400 --> 00:21:13,733
what

602

00:21:13,733 --> 00:21:17,266
ultimately transpired with Rabsen Cadirov is unknown

603

00:21:17,866 --> 00:21:21,300
it is currently unknown what caused Ramadan Cadirov to

604

00:21:21,300 --> 00:21:23,533
enter a coma state of consciousness

605

00:21:24,100 --> 00:21:25,166
on the other hand

606

00:21:25,300 --> 00:21:27,700
there are a great deal of divergent viewpoints

607

00:21:27,700 --> 00:21:29,000
concerning this matter

608

00:21:29,766 --> 00:21:31,666

one of these allegations states that

609

00:21:31,666 --> 00:21:33,466
for a significant amount of time

610

00:21:33,533 --> 00:21:36,200
Ramsan Cadirov had been dealing with the effects of a

611

00:21:36,200 --> 00:21:37,466
chronic illness

612

00:21:38,066 --> 00:21:39,266
that is the very reason

613

00:21:39,266 --> 00:21:41,000
he wanted to get involved in the fighting

614

00:21:41,000 --> 00:21:42,066
throughout the war

615

00:21:42,866 --> 00:21:46,266
Vladimir Putin the president of the Russian Federation

616

00:21:46,266 --> 00:21:47,300
on the other hand

617

00:21:47,400 --> 00:21:49,400
rejected Khadirov's request

618

00:21:50,133 --> 00:21:52,733
on occasion Khadirov was tasked with

619

00:21:52,733 --> 00:21:54,666
traveling to the frontlines to meet with

620

00:21:54,666 --> 00:21:55,933
Chechen forces

621

00:21:56,500 --> 00:21:57,733
at the same time

622

00:21:57,766 --> 00:21:58,300

he had been

623

00:21:58,300 --> 00:22:00,933

asked to take part in the deployment and management of

624

00:22:00,933 --> 00:22:02,133

Chechen forces

625

00:22:02,133 --> 00:22:04,300

but Katirov's body was no longer

626

00:22:04,300 --> 00:22:05,866

able to deal with the peace

627

00:22:06,600 --> 00:22:09,000

because of the effects his illness had on him

628

00:22:09,000 --> 00:22:11,733

Katirov was also exhausted and worn out

629

00:22:12,500 --> 00:22:14,133

as a consequence of this

630

00:22:14,166 --> 00:22:17,300

Katirov had entered a coma as the result of a severe

631

00:22:17,300 --> 00:22:20,600

illness in addition to this allegation

632

00:22:20,666 --> 00:22:22,333

there is yet another claim that should

633

00:22:22,333 --> 00:22:24,700

also be considered highly significant

634

00:22:25,333 --> 00:22:27,966

even more convincing is the fact that we believe

635

00:22:27,966 --> 00:22:30,866

there is a good chance that this assertion is correct

636

00:22:31,766 --> 00:22:33,500

you are aware that in recent months

637

00:22:33,500 --> 00:22:35,900

a plane that was carrying Wagner gang leader

638

00:22:35,900 --> 00:22:36,933

Yevgeny Perkygen

639

00:22:36,933 --> 00:22:39,166

crashed inside the boundaries of Russia

640

00:22:39,200 --> 00:22:41,466

and that Yevgeny Perkygen lost his life

641

00:22:41,466 --> 00:22:43,566

as a result of this plane crash

642

00:22:44,266 --> 00:22:46,000

after some time had passed

643

00:22:46,000 --> 00:22:48,400

a number of different sources asserted that Putin

644

00:22:48,400 --> 00:22:51,133

personally gave the order for the murder of Percogen

645

00:22:51,800 --> 00:22:54,000

also according to your assessment

646

00:22:54,000 --> 00:22:55,400

the disclaimer was accurate

647

00:22:55,400 --> 00:22:57,266

because Percogen's attempt at a coup

648

00:22:57,266 --> 00:22:59,066

had resulted in significant damage

649

00:22:59,066 --> 00:23:00,600
to Putin's influence

650

00:23:01,266 --> 00:23:02,933
we are aware that Peregins is

651

00:23:02,933 --> 00:23:04,700
excited about the possibility of

652

00:23:04,700 --> 00:23:06,300
leading the Russian Federation

653

00:23:07,000 --> 00:23:08,300
in the struggle for power

654

00:23:08,300 --> 00:23:10,733
that took place within the Russian Federation

655

00:23:10,766 --> 00:23:14,100
he was even one of Putin's most formidable adversaries

656

00:23:14,733 --> 00:23:15,800
on the other hand

657

00:23:15,900 --> 00:23:17,766
the commander of the Wagner Group

658

00:23:17,766 --> 00:23:20,466
Yevgeny Peregins had also arrived

659

00:23:21,100 --> 00:23:23,866
the adversary was the leader of the Chechen people

660

00:23:23,866 --> 00:23:25,333
Ramzan Kadyrov

661

00:23:25,966 --> 00:23:29,300
both Putin and Peregins were adversaries of Kadyrovs

662

00:23:29,300 --> 00:23:30,066

during their time

663

00:23:30,066 --> 00:23:30,866
in power

664

00:23:31,666 --> 00:23:32,666
on the other hand

665

00:23:32,766 --> 00:23:34,500
Khadirov had a more subdued

666

00:23:34,500 --> 00:23:36,866
and unruffled progression of the structure

667

00:23:37,566 --> 00:23:40,266
even though he was impotent in this struggle for power

668

00:23:40,500 --> 00:23:42,900
he was a dangerous candidate due to the fact that

669

00:23:42,900 --> 00:23:44,533
Chechen troops were carrying out

670

00:23:44,533 --> 00:23:46,400
critical tasks at the moment when the

671

00:23:46,400 --> 00:23:47,966
Russian army was disbanded

672

00:23:47,966 --> 00:23:50,200
and they were all corrupted into Khadirov

673

00:23:50,966 --> 00:23:52,200
this occurred at the point

674

00:23:52,200 --> 00:23:54,366
where the Russian army was disbanded

675

00:23:54,966 --> 00:23:56,333
in addition to this

676

00:23:56,366 --> 00:23:57,400

the Chechen leaders

677

00:23:57,400 --> 00:24:00,500

father was involved in a conflict many years ago

678

00:24:01,200 --> 00:24:02,800

during the course of this war

679

00:24:02,933 --> 00:24:03,566

Russia has

680

00:24:03,566 --> 00:24:05,900

lived through one of the darkest days in its whole

681

00:24:05,900 --> 00:24:06,866

existence

682

00:24:07,533 --> 00:24:10,366

the Russian government needed to maintain tight control

683

00:24:10,366 --> 00:24:12,366

at all times over the Chechen people

684

00:24:12,366 --> 00:24:14,800

because they represented a threat to the country

685

00:24:15,466 --> 00:24:18,333

even if Ramsan Khadirav was Putin's ally

686

00:24:18,333 --> 00:24:21,166

he was still a Chechen and he posed a threat

687

00:24:21,800 --> 00:24:22,933

this fact does not

688

00:24:22,933 --> 00:24:26,066

change the fact that Ramsan Khadirav is a Chechen

689

00:24:26,733 --> 00:24:30,100

you are aware that Vladimir Putin the leader of Russia

690

00:24:30,100 --> 00:24:32,400
has an extremely paranoid worldview

691

00:24:33,100 --> 00:24:34,600
Putin is able to discover a

692

00:24:34,600 --> 00:24:37,166
threat leveled against him on any given issue

693

00:24:37,166 --> 00:24:39,500
and he is not hesitant to employ a wide

694

00:24:39,500 --> 00:24:42,766
variety of strategies in order to remove these dangers

695

00:24:43,466 --> 00:24:45,533
there are some intriguing claims that mention

696

00:24:45,533 --> 00:24:46,666
Vladimir Putin

697

00:24:46,700 --> 00:24:47,966
the leader of Russia

698

00:24:47,966 --> 00:24:50,800
in connection with the beheading of Ramsan Cadirov

699

00:24:50,800 --> 00:24:52,666
the leader of the Chechen Republic

700

00:24:53,466 --> 00:24:55,200
as was indicated earlier

701

00:24:55,300 --> 00:24:55,900
Chechens have

702

00:24:55,900 --> 00:24:58,533
historically represented a significant security

703

00:24:58,533 --> 00:24:59,700

risk for Russia

704

00:25:00,366 --> 00:25:02,600

the significance of Chechen leader Ramsen

705

00:25:02,600 --> 00:25:03,800

Khadirav and Chechen

706

00:25:03,800 --> 00:25:06,100

troops increased with the death of yevguini

707

00:25:06,100 --> 00:25:08,366

precaution and the withdrawal of the Wagner

708

00:25:08,366 --> 00:25:09,766

Group from the frontline

709

00:25:10,400 --> 00:25:13,066

despite the growing significance of Chechens

710

00:25:13,066 --> 00:25:15,933

they should not attain such a high level of authority

711

00:25:16,566 --> 00:25:18,200

as a consequence of this

712

00:25:18,266 --> 00:25:21,066

it is a distinct likelihood that Vladimir Putin

713

00:25:21,066 --> 00:25:23,266

the president of the Russian Federation

714

00:25:23,333 --> 00:25:26,266

was the one who was responsible for Katirov's murder

715

00:25:26,933 --> 00:25:28,800

however it is important to keep

716

00:25:28,800 --> 00:25:30,700

in mind that these concerns that we have

717

00:25:30,700 --> 00:25:31,533
brought forth are

718

00:25:31,533 --> 00:25:33,166
still assertions in nature

719

00:25:34,066 --> 00:25:35,733
whether or not Ramsan Cadirov

720

00:25:35,733 --> 00:25:37,966
emerges from his coma will indicate to us

721

00:25:37,966 --> 00:25:39,533
whether or not this allegation

722

00:25:39,533 --> 00:25:41,900
has undergone any fresh changes

723

00:25:42,466 --> 00:25:44,466
in addition a claim that was made

724

00:25:44,466 --> 00:25:46,666
concerning how Ramsan Cadirov was

725

00:25:46,666 --> 00:25:48,166
treated raised the idea that

726

00:25:48,166 --> 00:25:48,700
Vladimir

727

00:25:48,700 --> 00:25:51,366
Putin ordered the Chechen leader to be poisoned

728

00:25:52,100 --> 00:25:53,266
the claims in question

729

00:25:53,266 --> 00:25:55,600
state that Chechenya's Ramsan Khadirov

730

00:25:55,600 --> 00:25:56,666
could not be treated

731

00:25:56,666 --> 00:25:57,900
because the hospital in

732

00:25:57,900 --> 00:26:00,566
Chechnya lacked the necessary resources

733

00:26:01,133 --> 00:26:02,366
as a result the

734

00:26:02,366 --> 00:26:04,800
Chechen authorities came to the conclusion that their

735

00:26:04,800 --> 00:26:07,766
leader Khadirov should travel to Russia

736

00:26:08,466 --> 00:26:09,533
on the other hand

737

00:26:09,666 --> 00:26:12,100
Russian medical facilities declined to treat the

738

00:26:12,100 --> 00:26:13,266
Chechen commander

739

00:26:13,933 --> 00:26:14,933
because of this

740

00:26:14,933 --> 00:26:16,333
it was decided to send the

741

00:26:16,333 --> 00:26:18,000
leader of the Chechen Republic

742

00:26:18,066 --> 00:26:19,466
Ramsan Cadirov

743

00:26:19,466 --> 00:26:22,166

to the United Arab Emirates for medical treatment

744

00:26:22,900 --> 00:26:26,000

however formal announcements regarding the most recent

745

00:26:26,000 --> 00:26:28,533

status of Ramsan Cadirov have not been made

746

00:26:28,533 --> 00:26:30,733

as of yet however

747

00:26:30,733 --> 00:26:32,533

Ramsan Cadirov's condition

748

00:26:32,533 --> 00:26:33,166

is said to be

749

00:26:33,166 --> 00:26:36,266

critical by both local sources and sources within the

750

00:26:36,266 --> 00:26:37,300

Chechen government

751

00:26:37,966 --> 00:26:39,966

in addition Chechen soldiers

752

00:26:39,966 --> 00:26:41,866

now serving in the Ukrainian army

753

00:26:41,866 --> 00:26:42,966

are keeping a careful

754

00:26:42,966 --> 00:26:44,400

eye on the latest information

755

00:26:44,400 --> 00:26:47,200

regarding Ramasan Cadirov's health situation

756

00:26:48,066 --> 00:26:48,966

according to Chen

757

00:26:48,966 --> 00:26:49,766
soldiers who are

758

00:26:49,766 --> 00:26:52,000
currently serving in the Ukrainian army

759

00:26:52,066 --> 00:26:53,100
Chen soldiers who

760

00:26:53,100 --> 00:26:54,933
are currently serving in the Russian army

761

00:26:54,933 --> 00:26:56,666
do not have any knowledge regarding

762

00:26:56,666 --> 00:26:57,966
Khadrov's condition

763

00:26:58,666 --> 00:27:00,866
the statements made by the Main Intelligence

764

00:27:00,866 --> 00:27:01,933
Directorate of Ukraine

765

00:27:01,933 --> 00:27:04,166
brought this information to the attention of these

766

00:27:04,166 --> 00:27:05,100
troops as well

767

00:27:06,000 --> 00:27:06,933
as a result

768

00:27:06,933 --> 00:27:09,566
Chechen soldiers serving in the Russian army feel a

769

00:27:09,566 --> 00:27:12,100
tremendous deal of resentment toward both the Chechen

770

00:27:12,100 --> 00:27:14,133

leadership and the Russian military

771

00:27:14,766 --> 00:27:15,800

the Chechen nation

772

00:27:15,800 --> 00:27:18,466

is characterized by a disorderly organization

773

00:27:18,466 --> 00:27:19,900

within the Russian government

774

00:27:20,600 --> 00:27:22,333

the leader in general is another

775

00:27:22,333 --> 00:27:24,100

important factor to consider

776

00:27:24,766 --> 00:27:27,066

in the event that Ramazan Khadirov

777

00:27:27,066 --> 00:27:29,800

the leader of the Chechen rebels is killed

778

00:27:29,866 --> 00:27:31,966

Chechen soldiers serving in the ranks of the

779

00:27:31,966 --> 00:27:32,733

Russian army

780

00:27:32,733 --> 00:27:35,466

will renounce their participation in the conflict

781

00:27:36,100 --> 00:27:37,933

as a result of this predicament

782

00:27:37,933 --> 00:27:40,733

the Russian troops that are stationed on the front line

783

00:27:40,733 --> 00:27:44,300

particularly the defence lines are put in disarray

784

00:27:45,000 --> 00:27:47,133
additionally as you are aware

785

00:27:47,266 --> 00:27:49,700
Chechen soldiers are responsible for defending

786

00:27:49,700 --> 00:27:50,500
Russia's borders

787

00:27:50,500 --> 00:27:51,866
in some places

788

00:27:52,400 --> 00:27:54,100
it is possible to remark that

789

00:27:54,100 --> 00:27:55,533
Chechen soldiers will stop

790

00:27:55,533 --> 00:27:57,100
guarding the frontiers of Russia

791

00:27:57,100 --> 00:27:59,466
under the scenario that has been described

792

00:28:00,066 --> 00:28:01,300
in this scenario

793

00:28:01,333 --> 00:28:04,266
Russia will be put in a very precarious position

794

00:28:04,866 --> 00:28:06,666
and what are your thoughts about that

795

00:28:07,400 --> 00:28:09,333
what are your thoughts on what might have happened to

796

00:28:09,333 --> 00:28:10,133
Khadirov

797

00:28:10,866 --> 00:28:11,300

what are your

798

00:28:11,300 --> 00:28:12,333

thoughts on the charges

799

00:28:12,333 --> 00:28:14,400

that Putin was involved in an attempt to

800

00:28:14,400 --> 00:28:15,533

kill the president

801

00:28:16,133 --> 00:28:18,066

if Khadirav were to pass away

802

00:28:18,166 --> 00:28:20,266

what impact would that have on the war

803

00:28:21,000 --> 00:28:21,300

will

804

00:28:21,300 --> 00:28:24,366

Chechen forces join the ranks of the Ukrainian army

805

00:28:25,000 --> 00:28:26,166

what kind of impact

806

00:28:26,166 --> 00:28:28,533

does this have on people's faith in the war

807

00:28:29,200 --> 00:28:31,200

could there be a third conflict between

808

00:28:31,200 --> 00:28:32,600

Chechnya and Russia

809

00:28:33,300 --> 00:28:35,466

make a note of it in the comments section

810

00:28:36,200 --> 00:28:36,800

rating

811

00:28:36,800 --> 00:28:40,000

and we take into consideration all of your feedback

译文:

1

00:00:22,200—比;00:00:25,100

战争的过程充满了困难

2

00:00:25,733—比;00:00:28,100

降临在我们身上的经历是很少的

3

00:00:28,100—比;00:00:29,400

完全可重复的

4

00:00:30,133—比;00:00:30,933

有些时候

5

00:00:30,933—比;00:00:33,100

当军队快速前进时

6

00:00:33,100—比;00:00:33,900

还有其他的

7

00:00:33,900—比;00:00:36,500

当军队前进缓慢的时候

8

00:00:37,200—比;00:00:39,933

这种情况产生了一些不同

9

00:00:39,933—比;00:00:40,800

索赔

10

00:00:41,533—比;00:00:42,566

不过

11

00:00:42,566—比;00:00:45,800

并不是所有的断言都是正确的

12

00:00:46,600—比;00:00:48,500

有时可以考虑索赔

13

00:00:48,500—比;00:00:50,800

武器:战争中使用的武器之一

14

00:00:51,533—比;00:00:52,800

一个人的心理健康可以

15

00:00:52,800—比;00:00:55,200

使用这种方法也可以得到改进

16

00:00:55,800—比;00:00:59,200

俄罗斯和乌克兰之间持续不断的冲突

17

00:00:59,200—比;00:01:02,266

我们目前正经历着非常相似的事情

18

00:01:02,933—比;00:01:05,733

这应该不足为奇, 战场在

19

00:01:05,733—比;00:01:09,200

乌克兰也正在经历一场心理战

20.

00:01:09,933—比;00:01:11,066

等一下

21

00:01:11,066—比;00:01:12,666

我们要看一看

22

00:01:12,666—比;00:01:14,366

前线最近的情况

23

00:01:14,366—比;00:01:15,400

使用地图

24

00:01:16,000—比;00:01:18,800
最近的消息表明, 战斗

25
00:01:18,800—比;00:01:21,566
乌克兰军队和俄罗斯军队之间的冲突

26
00:01:21,566—比;00:01:22,500
目前分散

27
00:01:22,500—比;00:01:25,133
横跨战场的所有五个区域

28
00:01:25,866—比;00:01:26,800
发展是

29
00:01:26,800—比;00:01:28,800
相当惊人的事情正在发生

30.
00:01:28,933—比;00:01:29,733
特别是

31
00:01:29,733—比;00:01:32,600
在苏普里西亚前滑梯的旁观者部分

32
00:01:33,333—比;00:01:34,266
为此目的

33
00:01:34,366—比;00:01:36,566
前线的最新进展是什么

34
00:01:36,566—比;00:01:37,366
幻灯片

35
00:01:38,000—比;00:01:40,566
记得注册我们频道的内部提醒

36
00:01:40,566—比;00:01:42,700

这样你就不会错过地图报告了

37

00:01:42,700—比;00:01:45,066

以及我们将提供的每日报道

38

00:01:45,666—比;00:01:49,100

除此之外，我正在阅读你的所有评论

39

00:01:49,666—比;00:01:52,133

我希望你们继续使用评论区

40

00:01:52,133—比;00:01:52,766

分享你的

41

00:01:52,766—比;00:01:54,900

关于我们提供的内容的想法

42

00:01:55,600—比;00:01:56,400

我们走吧

43

00:01:56,400—比;00:01:56,700

正确的

44

00:01:56,700—比;00:01:59,600

进入今天的地图报告讨论前线在

45

00:01:59,600—比;00:02:00,400

Zaprisia

46

00:02:01,200—比;00:02:02,566

是的，开始

47

00:02:02,566—比;00:02:03,900

让我们看一下地图

48

00:02:03,900—比;00:02:05,366

以及苏普里西亚的前线

49

00:02:05,366—比;00:02:06,733

从鸟瞰

50

00:02:07,466—比;00:02:09,400

让我们简单地从最近的开始

51

00:02:09,400—比;00:02:11,333

发生在机器人生产线上的事

52

00:02:11,333—比;00:02:12,133

我们

53

00:02:12,733—比;00:02:15,300

当我们讨论这个地区的情况时

54

00:02:15,333—比;00:02:16,900

有一些区域出现了

55

00:02:16,900—比;00:02:19,133

在我们的谈话中相当频繁

56

00:02:19,966—比;00:02:21,800

其中一些被称为机器人

57

00:02:21,800—比;00:02:23,800

他们的名字包括卡帕尼

58

00:02:23,800—比;00:02:25,733

Novapro和capifca

59

00:02:26,400—比;00:02:27,666

最近几天

60

00:02:27,666—比;00:02:29,366

我们注意到

61

00:02:29,366—比;00:02:31,200

乌克兰军队一直在努力

62

00:02:31,200—比;00:02:32,866

这些地区的压力

63

00:02:33,566—比;00:02:35,166

首先让我们看看在哪里

64

00:02:35,166—比;00:02:36,900

位于卡帕尼地区

65

00:02:36,900—比;00:02:38,866

在地图上最多

66

00:02:38,866—比;00:02:41,133

最近的消息表明，火炮

67

00:02:41,133—比;00:02:41,800

从

68

00:02:41,800—比;00:02:44,066

乌克兰已经开始对该地区发动袭击

69

00:02:44,066—比;00:02:45,466

这是有针对性的

70

00:02:46,100—比;00:02:49,133

让我们把注意力转移到卡帕尼地区

71

00:02:49,800—比;00:02:53,066

乌克兰军队被描述为袭击卡帕尼

72

00:02:53,066—比;00:02:54,700

从地图上的这个方向

73

00:02:54,700—比;00:02:55,933
哪个是东方?

74
00:02:56,533—比;00:02:58,966
最近的报告表明有

75
00:02:58,966—比;00:03:00,866
该地区郊区发生混战

76
00:03:00,866—比;00:03:02,933
我们知道这个信息

77
00:03:03,600—比;00:03:05,000
事实上并非如此

78
00:03:05,000—比;00:03:06,900
完全不准确的说法是

79
00:03:06,900—比;00:03:09,900
乌克兰军队正在努力扩大战线

80
00:03:09,900—比;00:03:11,566
这个区域也有直线

81
00:03:12,366—比;00:03:14,533
这也是阿普罗卡的所在地

82
00:03:14,533—比;00:03:15,400
异食癖区

83
00:03:15,400—比;00:03:16,400
结束了

84
00:03:17,200—比;00:03:19,200
这是一个直接后果

85
00:03:19,333—比;00:03:22,000

乌克兰军队减少了袭击次数

86

00:03:22,000—比;00:03:24,133

它正朝罗伯特尼的方向发射

87

00:03:24,133—比;00:03:26,866

而是把精力集中在这个地区

88

00:03:27,666—比;00:03:28,766

在这个位置

89

00:03:28,766—比;00:03:30,566

他们集中攻击

90

00:03:30,566—比;00:03:32,366

乌克兰武装部队

91

00:03:32,366—比;00:03:35,133

从东北方向novobracopita方向来

92

00:03:35,766—比;00:03:36,733

它也一直

93

00:03:36,733—比;00:03:37,500

声明说

94

00:03:37,500—比;00:03:40,566

乌克兰军队正在扩大其控制地区

95

00:03:40,566—比;00:03:41,266

在一些

96

00:03:41,266—比;00:03:43,500

位于本地区的领土

97

00:03:44,133—比;00:03:45,500

在这种情况下

98

00:03:45,500—比;00:03:48,533

我们可能会讨论多层攻击的使用

99

00:03:49,200—比;00:03:50,333

我们意识到

One hundred.

00:03:50,333—比;00:03:52,200

乌克兰军队成功地

101

00:03:52,200—比;00:03:53,566

转移了...的注意力

102

00:03:53,566—比;00:03:56,200

俄军通过迅速转移焦点

103

00:03:56,200—比;00:03:57,400

它的攻击

104

00:03:58,066—比;00:04:00,666

然后我们才能宣布乌克兰军队

105

00:04:00,666—比;00:04:02,366

主要是执行计划

106

00:04:02,366—比;00:04:03,466

最近

107

00:04:03,533—比;00:04:04,166

我们需要

108

00:04:04,166—比;00:04:05,400

在接下来的几分钟里观察它

109

00:04:05,400—比;00:04:08,300

几天来决定它是否会成功

110

00:04:09,000—比;00:04:10,533

让我们到此为止吧

111

00:04:10,533—比;00:04:12,400

周围发生的事情远

112

00:04:12,500—比;00:04:14,366

Zaprisia前线的一小部分

113

00:04:14,366—比;00:04:16,266

看看最近发生的袭击事件

114

00:04:16,266—比;00:04:18,300

炮兵部队已经出动了

115

00:04:18,900—比;00:04:20,966

你知道俄国的炮兵

116

00:04:20,966—比;00:04:21,600

美国的军队

117

00:04:21,600—比;00:04:24,500

乌克兰炮兵部队都投入了很多

118

00:04:24,500—比;00:04:27,466

特别是在Zaprisia前线的努力

119

00:04:28,133—比;00:04:30,333

最近的信息表明

120

00:04:30,333—比;00:04:32,200

俄罗斯炮兵部队发起了攻击

121

00:04:32,200—比;00:04:34,000

乌克兰在马来亚的阵地

122

00:04:34,000—比;00:04:35,300
Tukmachka地区

123
00:04:35,966—比;00:04:37,000
另一方面

124
00:04:37,100—比;00:04:38,400
它在

125
00:04:38,400—比;00:04:39,666
乌克兰的大炮

126
00:04:39,666—比;00:04:43,133
在novaprakapivka镇和novaprakapavka镇

127
00:04:43,900—比;00:04:46,566
现在让我们继续我们研究的下一部分

128
00:04:46,566—比;00:04:49,600
包括沙普里亚前线的怀尔德部分

129
00:04:50,266—比;00:04:52,933
由此可以清楚地看出，诺沃米罗斯克是在假设

130
00:04:52,933—比;00:04:53,800
一个日益

131
00:04:53,800—比;00:04:54,733
重要的角色

132
00:04:55,366—比;00:04:57,400
这在过去已经讨论过了

133
00:04:58,066—比;00:05:01,100
乌克兰军队正在扩大前线

134
00:05:01,800—比;00:05:04,200

这样做的结果是俄罗斯军队会

135

00:05:04,200—比;00:05:06,400

扩大经营范围

136

00:05:07,100—比;00:05:08,466

换句话说

137

00:05:08,533—比;00:05:09,333

强大的

138

00:05:09,333—比;00:05:11,966

俄罗斯的防线正在逐渐变得

139

00:05:11,966—比;00:05:13,100

更少的健壮的

140

00:05:13,733—比;00:05:15,466

最近的消息显示

141

00:05:15,466—比;00:05:16,400

某些单位的

142

00:05:16,400—比;00:05:19,133

俄军已经从其他地方调到了这个地区

143

00:05:19,133—比;00:05:20,333

部分地区

144

00:05:21,000—比;00:05:22,300

到目前为止

145

00:05:22,300—比;00:05:24,733

俄罗斯军方已经发动了袭击

146

00:05:24,733—比;00:05:25,900

整个地区

147

00:05:26,533—比;00:05:27,566

另一方面

148

00:05:27,600—比;00:05:30,600

它无法取得任何明显的进展

149

00:05:31,166—比;00:05:32,566

俄罗斯的行动

150

00:05:32,566—比;00:05:34,466

比利牛斯最初是成功的

151

00:05:34,466—比;00:05:35,466

在战胜

152

00:05:35,466—比;00:05:38,166

乌克兰防御Novo病毒

153

00:05:38,733—比;00:05:40,300

在这个国家的这个地区

154

00:05:40,300—比;00:05:41,066

我们可以说

155

00:05:41,066—比;00:05:44,133

乌克兰军队正处于防御状态

156

00:05:44,800—比;00:05:45,866

另一方面

157

00:05:46,000—比;00:05:48,333

从最近一段时间来看

158

00:05:48,333—比;00:05:49,600

我这样说的不准确

159

00:05:49,600—比;00:05:52,266

得出这样的结论:这代表着权力的衰落

160

00:05:53,300—比;00:05:54,966

我们过去意识到这一点

161

00:05:54,966—比;00:05:55,166

的

162

00:05:55,166—比;00:05:58,166

乌克兰军队已经推进到防御阵地

163

00:05:58,166—比;00:05:59,366

获得了很多分数

164

00:05:59,366—比;00:06:01,133

然后继续向她示好

165

00:06:01,133—比;00:06:02,566

通过转向防御

166

00:06:02,566—比;00:06:04,700

在短时间内获得收益

167

00:06:05,466—比;00:06:08,300

在它处于防御位置的时候

168

00:06:08,300—比;00:06:10,800

乌克兰军队正在减少

169

00:06:10,800—比;00:06:11,600

俄罗斯军队

170

00:06:11,600—比;00:06:12,566

驻扎在这里

171

00:06:13,300—比;00:06:15,866
目前的事态给了乌克兰

172
00:06:15,866—比;00:06:17,400
给部队制造机会

173
00:06:17,400—比;00:06:19,766
一旦他们发起攻击，进展会更快

174
00:06:20,466—比;00:06:22,966
这种情况使之成为可能

175
00:06:23,766—比;00:06:24,933
因此

176
00:06:24,933—比;00:06:25,800
这是可能的

177
00:06:25,800—比;00:06:26,100
这一

178
00:06:26,100—比;00:06:28,866
乌克兰军队已经开始准备新的战争

179
00:06:28,866—比;00:06:29,400
进攻

180
00:06:29,400—比;00:06:32,100
通过在该地区采取防御姿态

181
00:06:32,733—比;00:06:34,600
在这个特殊的例子中

182
00:06:34,600—比;00:06:34,966
我们可以

183
00:06:34,966—比;00:06:37,933

还看到两军的炮兵部队都是

184

00:06:37,933—比;00:06:39,366

参与战斗

185

00:06:40,100—比;00:06:41,533

最新的信息

186

00:06:41,533—比;00:06:44,300

是俄罗斯炮兵所为吗

187

00:06:44,300—比;00:06:46,066

袭击附近的乌克兰阵地

188

00:06:46,066—比;00:06:47,900

Yorkii和stromaresk

189

00:06:48,666—比;00:06:51,600

俄军在因那巴吉尼亚省的阵地

190

00:06:51,666—比;00:06:53,566

Stromolinka Kermanchek

191

00:06:53,566—比;00:06:54,500

和Novedonsk

192

00:06:54,500—比;00:06:55,866

novamyrosk来了

193

00:06:55,866—比;00:06:58,366

在隶属于

194

00:06:58,366—比;00:06:59,800

乌克兰的军事

195

00:07:00,466—比;00:07:02,166

让我们来看看最近的

196

00:07:02,166—比;00:07:04,400
发生在前线的事件

197

00:07:04,400—比;00:07:05,500
Donutsk附近

198

00:07:06,133—比;00:07:09,266
这种情况缺乏任何投射性因素

199

00:07:10,066—比;00:07:12,200
我们又一次陷入了困境

200

00:07:12,200—比;00:07:14,166
这与我们的

201

00:07:14,166—比;00:07:15,500
先前的报告

202

00:07:16,133—比;00:07:16,866
今天

203

00:07:16,866—比;00:07:19,533
俄罗斯军队将恢复进攻

204

00:07:19,533—比;00:07:20,300
总的来说

205

00:07:20,300—比;00:07:21,566
马林卡方向

206

00:07:22,266—比;00:07:23,300
尽管如此

207

00:07:23,333—比;00:07:25,533
俄军率先撤退

208

00:07:25,533—比;00:07:27,866

因为他们无法取得任何进展

209

00:07:28,500—比;00:07:31,300

俄国人伤亡惨重

210

00:07:31,300—比;00:07:32,666

该地区的军队

211

00:07:32,700—比;00:07:35,400

特别是在海运公司

212

00:07:36,000—比;00:07:37,733

然而尽管如此

213

00:07:37,766—比;00:07:40,100

俄罗斯军队是不会退缩的

214

00:07:40,100—比;00:07:41,066

从它的坚持

215

00:07:41,066—比;00:07:41,866

在这一点上

216

00:07:42,666—比;00:07:45,166

事实上，该地区并不十分重要

217

00:07:45,166—比;00:07:46,900

从战略角度来看

218

00:07:46,900—比;00:07:48,066

但是尽管如此

219

00:07:48,100—比;00:07:50,866

我相信海洋贮藏所走的路

220

00:07:50,866—比;00:07:52,733
应该仔细研究吗

221
00:07:53,400—比;00:07:55,666
现在我们已经覆盖了前线

222
00:07:55,666—比;00:07:57,166
我们来谈谈火炮

223
00:07:57,166—比;00:07:58,866
正在进行的操作

224
00:07:58,866—比;00:07:59,733
在该地区

225
00:08:00,566—比;00:08:01,333
你应该知道

226
00:08:01,333—比;00:08:03,566
每次我们讨论甜甜圈前线

227
00:08:03,566—比;00:08:05,933
我们经常把炮火攻击包括在内

228
00:08:05,933—比;00:08:08,266
因为地图没有改变的事实

229
00:08:08,266—比;00:08:09,366
非常频繁的

230
00:08:10,066—比;00:08:12,066
最近的报告表明

231
00:08:12,066—比;00:08:13,466
俄军炮火

232
00:08:13,466—比;00:08:15,533

都指向海军陆战队员卡

233

00:08:15,600—比;00:08:18,000

而乌克兰的炮火正在

234

00:08:18,000—比;00:08:20,166

指向甜甜圈和格里洛夫卡

235

00:08:20,966—比;00:08:22,900

当我们检查后方的前线时

236

00:08:22,900—比;00:08:23,400

我们发现

237

00:08:23,400—比;00:08:26,500

乌克兰军队仍在继续其行动

238

00:08:26,500—比;00:08:27,933

克利赫Chiefka

239

00:08:27,933—比;00:08:30,066

安德烈夫卡和库尔达维夫卡

240

00:08:30,766—比;00:08:32,533

这是我们可以看到的

241

00:08:33,300—比;00:08:36,266

根据各种来源的报道

242

00:08:36,266—比;00:08:39,333

乌克兰军队已经控制了安德烈卡

243

00:08:40,166—比;00:08:42,366

然而，在这一刻

244

00:08:42,400—比;00:08:44,666

我们无法提供任何确认

245

00:08:44,666—比;00:08:46,500

在上述信息中

246

00:08:47,200—比;00:08:49,933

安德里夫卡地区是一个非常重要的地区

247

00:08:50,666—比;00:08:53,766

安德里夫卡的位置可以在地图上看到

248

00:08:53,766—比;00:08:55,966

可能在克拉西夫卡南边

249

00:08:56,733—比;00:08:58,800

因此收购

250

00:08:58,800—比;00:09:01,366

乌克兰军队对该地区的控制

251

00:09:01,366—比;00:09:03,900

会否进一步促进进攻行动

252

00:09:03,900—比;00:09:05,366

目前正在进行中

253

00:09:05,366—比;00:09:07,500

克拉什夫卡被乌克兰军队占领

254

00:09:08,133—比;00:09:11,500

与前几天的低地天空相比

255

00:09:11,500—比;00:09:14,500

北方和前线更加活跃

256

00:09:15,133—比;00:09:16,300

你知道的

257

00:09:16,300—比;00:09:19,200

乌克兰军队也在该地区行进

258

00:09:19,200—比;00:09:21,566

他们经常试图引起人们的注意

259

00:09:21,566—比;00:09:23,200

远离俄罗斯军队

260

00:09:23,866—比;00:09:25,500

最近的消息表明

261

00:09:25,500—比;00:09:25,866

俄罗斯

262

00:09:25,866—比;00:09:28,766

军队在塞尔维亚发动了一系列袭击

263

00:09:28,766—比;00:09:30,300

在最初的地方

264

00:09:30,300—比;00:09:31,200

有针对性的有

265

00:09:31,966—比;00:09:33,066

另一方面

266

00:09:33,100—比;00:09:34,366

乌克兰国防

267

00:09:34,366—比;00:09:34,700

第一个

268

00:09:34,700—比;00:09:36,866

在该地区成功地抵御了这些

269

00:09:36,866—比;00:09:37,800
攻击

270
00:09:38,500—比;00:09:40,866
防守位置又一次被

271
00:09:40,866—比;00:09:43,100
乌克兰在该地区的地位

272
00:09:43,866—比;00:09:45,300
结果就是

273
00:09:45,300—比;00:09:47,533
我们讨论过关于怀尔德的事

274
00:09:47,533—比;00:09:48,733
Sapricia的部分

275
00:09:48,733—比;00:09:51,366
Frontline也适用于这个领域

276
00:09:52,133—比;00:09:53,800
我们会密切关注的

277
00:09:54,400—比;00:09:56,200
你对此有何看法

278
00:09:56,933—比;00:09:57,700
你相信吗?

279
00:09:57,700—比;00:10:00,600
乌克兰军队处于战略要地

280
00:10:00,600—比;00:10:03,500
至上前线已经取得了成功

281
00:10:04,166—比;00:10:04,900

你相信吗？

282

00:10:04,900—比;00:10:05,200

这一

283

00:10:05,200—比;00:10:07,666

俄罗斯军队已经到了崩溃的边缘

284

00:10:08,466—比;00:10:09,800

下一步是什么

285

00:10:09,800—比;00:10:11,933

乌克兰军队打算夺取

286

00:10:12,800—比;00:10:14,333

在评论中提出来吧

287

00:10:14,333—比;00:10:17,066

因为我将阅读并回应每一个

288

00:10:17,066—比;00:10:17,866

其中之一

289

00:10:18,466—比;00:10:20,366

来自乌克兰的军事领导人

290

00:10:20,366—比;00:10:21,666

周五表示

291

00:10:21,666—比;00:10:24,666

乌克兰军队成功地夺回了一场战争

292

00:10:24,666—比;00:10:26,466

在冲突中四分五裂的解决方案

293

00:10:26,466—比;00:10:27,866

这个国家的东部

294

00:10:28,566—比;00:10:31,133
在一场战役中取得了一点领土上的进展

295

00:10:31,133—比;00:10:33,100
翻来覆去的反击，其标志是

296

00:10:33,100—比;00:10:35,466
许多不那么重要的成功

297

00:10:35,466—比;00:10:37,166
但没有重大突破

298

00:10:37,766—比;00:10:38,966
在另一边

299

00:10:38,966—比;00:10:40,200
乌克兰国防

300

00:10:40,200—比;00:10:43,133
部队成功地摧毁了BM30

301

00:10:43,133—比;00:10:45,066
敌人使用的污迹

302

00:10:45,800—比;00:10:48,200
emalora是一名乌克兰士兵

303

00:10:48,266—比;00:10:50,333
张贴了一张俄罗斯占领的照片

304

00:10:50,333—比;00:10:52,900
陆军重型自行多管导弹发射装置

305

00:10:52,900—比;00:10:54,366
被大火烧毁了

306

00:10:54,366—比;00:10:56,366
在社交网站推特上

307

00:10:57,066—比;00:10:59,900
乌克兰武装部队通常不会采取

308

00:10:59,900—比;00:11:01,700
瞄准这种性质的目标

309

00:11:02,400—比;00:11:03,700
到目前为止

310

00:11:03,733—比;00:11:06,666
只知道其中一辆是300毫米的

311

00:11:06,933—比;00:11:09,066
emalora已经被摧毁了

312

00:11:09,700—比;00:11:11,766
占领安德里夫卡镇

313

00:11:11,766—比;00:11:13,400
它的位置大约是

314

00:11:13,400—比;00:11:14,666
10公里或

315

00:11:14,666—比;00:11:17,000
在巴赫曼市以南六英里处

316

00:11:17,066—比;00:11:19,333
是由俄罗斯军方控制的

317

00:11:19,333—比;00:11:19,900
突出了

318

00:11:19,900—比;00:11:22,733
多pron的反击有多野蛮

319
00:11:22,733—比;00:11:24,500
乌克兰正在成为

320
00:11:25,366—比;00:11:28,766
经过几个月的激烈战争和重大损失

321
00:11:28,766—比;00:11:30,666
乌克兰声称非常有限

322
00:11:30,666—比;00:11:32,333
领土扩张

323
00:11:32,333—比;00:11:34,200
东部和南部的国家

324
00:11:34,866—比;00:11:36,866
尽管事实是

325
00:11:36,866—比;00:11:38,600
乌克兰得到北约的支持

326
00:11:38,600—比;00:11:41,133
价值数十亿美元的标准武器

327
00:11:41,900—比;00:11:42,533
政府官员

328
00:11:42,533—比;00:11:45,266
乌克兰武装部队表示没有

329
00:11:45,266—比;00:11:48,100
突破俄军防线的快速选择

330
00:11:48,133—比;00:11:51,133

只有枯燥乏味的战争

331

00:11:51,866—比;00:11:52,566

的目的是

332

00:11:52,566—比;00:11:54,400

乌克兰似乎正在分散

333

00:11:54,400—比;00:11:54,766

俄罗斯

334

00:11:54,766—比;00:11:57,200

士兵们沿着几条不同的线

335

00:11:57,200—比;00:11:58,600

以开头的方向

336

00:11:58,600—比;00:11:59,966

广阔的农业

337

00:11:59,966—比;00:12:02,600

向东延伸至尼科河

338

00:12:03,466—比;00:12:06,166

可以想象，乌克兰的进步将是如此

339

00:12:06,166—比;00:12:09,066

秋天和冬天潮湿的天气减慢了速度

340

00:12:09,766—比;00:12:12,466

下周总统弗拉基米尔·扎林斯基

341

00:12:12,466—比;00:12:12,666

将

342

00:12:12,666—比;00:12:15,400

在辩论进行中前往华盛顿

343

00:12:15,400—比;00:12:18,333

国会关于批准更多资金的问题

344

00:12:19,000—比;00:12:19,700

进攻

345

00:12:19,700—比;00:12:20,600

操作

346

00:12:20,600—比;00:12:22,966

乌克兰武装部队一直在进行

347

00:12:22,966—比;00:12:24,266

在Melatopol区

348

00:12:24,266—比;00:12:25,566

仍在进行中

349

00:12:26,300—比;00:12:29,466

在后方多扇区的进攻行动

350

00:12:29,500—比;00:12:30,266

目标是

351

00:12:30,266—比;00:12:31,000

消除了

352

00:12:31,000—比;00:12:34,266

敌人和逐渐释放被占领的领土

353

00:12:34,900—比;00:12:36,266

根据帖子

354

00:12:36,266—比;00:12:38,366

都是突击行动的结果

355

00:12:38,366—比;00:12:39,666
防御力量

356

00:12:39,666—比;00:12:42,266
在克拉西夫卡附近取得了一定的成功

357

00:12:42,266—比;00:12:44,066
在丹麦和罗马尼亚

358

00:12:44,066—比;00:12:45,700
在萨帕里吉亚地区

359

00:12:46,366—比;00:12:49,066
他们成功地把敌人赶了出去

360

00:12:49,066—比;00:12:50,500
被占用的地点及

361

00:12:50,500—比;00:12:53,000
在已取得的战线上巩固自己

362

00:12:53,600—比;00:12:56,100
乌克兰火箭军取得了成功

363

00:12:56,100—比;00:12:57,133
摧毁两个

364

00:12:57,133—比;00:12:58,733
俄式火炮

365

00:12:58,733—比;00:13:00,133
弹药库

366

00:13:00,133—比;00:13:03,533
一个指挥中心和—个防空导弹系统

367

00:13:04,266—比;00:13:04,900
现在有了

368
00:13:04,900—比;00:13:07,466
25架这种类型的无人机

369
00:13:07,466—比;00:13:10,733
在乌克兰国防军服役的系统

370
00:13:11,466—比;00:13:13,100
从今年春天开始

371
00:13:13,133—比;00:13:15,100
这些无人驾驶飞行器

372
00:13:15,266—比;00:13:17,766
无人机一直在提供援助

373
00:13:17,766—比;00:13:19,800
乌克兰军队在破坏

374
00:13:19,800—比;00:13:21,566
敌人的武器装备

375
00:13:22,533—比;00:13:23,966
无人机被送人了

376
00:13:23,966—比;00:13:26,166
作为复活基金会的一部分

377
00:13:26,166—比;00:13:27,400
以眼还眼

378
00:13:27,466—比;00:13:30,100
其中包括交换捐赠的设备

379
00:13:30,900—比;00:13:32,566

俄罗斯军队正在发射他们的

380

00:13:32,566—比;00:13:34,000

东北部的猛攻

381

00:13:34,000—比;00:13:37,466

在无人驾驶飞行器UAV的协助下

382

00:13:37,666—比;00:13:38,700

目标是钉住

383

00:13:38,700—比;00:13:41,366

转移乌克兰士兵的注意力

384

00:13:41,366—比;00:13:42,166

在其他地方

385

00:13:42,766—比;00:13:45,866

在安德里夫卡的俄军最终被击溃

386

00:13:45,866—比;00:13:48,066

经过三个月的激战

387

00:13:48,600—比;00:13:51,266

安德里夫卡是广阔前线的一小块地方

388

00:13:51,266—比;00:13:52,533

让乌克兰人

389

00:13:52,533—比;00:13:55,166

向第三突击旅发起快速移动

390

00:13:55,166—比;00:13:57,100

包围俄军阵地

391

00:13:57,700—比;00:14:00,566

几周后，安德里夫卡被重新夺回

392

00:14:00,566—比;00:14:02,666

乌克兰军队取得了关键的胜利

393

00:14:02,666—比;00:14:05,466

战术胜利在南部萨帕里西亚地区

394

00:14:06,166—比;00:14:07,666

他们在那里闯了过去

395

00:14:07,666—比;00:14:08,366

俄罗斯的第一个

396

00:14:08,366—比;00:14:11,466

并重新占领了罗比廷定居点

397

00:14:12,200—比;00:14:14,866

这次胜利让他们占领了安德里夫卡

398

00:14:15,566—比;00:14:18,400

八月底刮起的风

399

00:14:18,466—比;00:14:19,000

之后

400

00:14:19,000—比;00:14:21,866

从六月开始并一直持续的艰苦战斗

401

00:14:21,866—比;00:14:23,300

直到7公里

402

00:14:23,700—比;00:14:25,666

或者大约4英里

403

00:14:25,700—比;00:14:28,300

被乌克兰军队推进了吗

404

00:14:28,900—比;00:14:30,400

星期五清晨

405

00:14:30,400—比;00:14:32,300

乌克兰总参谋部

406

00:14:32,300—比;00:14:33,200

武装部队

407

00:14:33,200—比;00:14:36,000

宣布安德里夫卡已被夺回

408

00:14:36,666—比;00:14:39,533

没有得到证实，也没有作出回应

409

00:14:39,533—比;00:14:41,366

俄罗斯官员对此事的看法

410

00:14:42,000—比;00:14:43,700

这是一次迅速的行动

411

00:14:43,700—比;00:14:45,866

根据第三突击旅的说法

412

00:14:45,866—比;00:14:47,133

包围了俄国

413

00:14:47,133—比;00:14:48,900

驻扎在安德里夫卡村

414

00:14:48,900—比;00:14:51,400

并在两天内被摧毁

415

00:14:52,066—比;00:14:54,666

他们说这让他们能够占领村庄

416

00:14:55,300—比;00:14:56,666
根据报告

417
00:14:56,766—比;00:14:57,900
这一成就是

418
00:14:57,900—比;00:15:00,100
在巴赫曼南翼取得突破

419
00:15:00,100—比;00:15:00,400
和

420
00:15:00,400—比;00:15:03,200
在任何领域取得成功的重要组成部分

421
00:15:03,200—比;00:15:04,900
以及其他方向

422
00:15:05,500—比;00:15:08,100
最好的情况是重新夺回安德安德

423
00:15:08,100—比;00:15:11,333
战前的人口还不到100人

424
00:15:11,466—比;00:15:13,700
使乌克兰军队能够机动

425
00:15:13,700—比;00:15:15,566
在巴克曼附近更轻松

426
00:15:15,566—比;00:15:16,866
一个正式的城市

427
00:15:16,866—比;00:15:18,366
以盐矿而闻名

428
00:15:18,366—比;00:15:20,566

但现在已是一片废墟

429

00:15:21,133—比;00:15:23,133

争夺巴赫曼的控制权

430

00:15:23,166—比;00:15:27,000

从2022年2月开始，持续了8个月

431

00:15:27,166—比;00:15:28,466

是最长最多的吗

432

00:15:28,466—比;00:15:28,966

当然，

433

00:15:28,966—比;00:15:31,066

发生的所有战斗中最血腥的

434

00:15:31,066—比;00:15:32,400

在整个冲突中

435

00:15:33,000—比;00:15:36,266

5月，俄国士兵成功夺取了该城

436

00:15:36,266—比;00:15:37,400

巴赫曼控制

437

00:15:37,400—比;00:15:39,000

在雇佣军的协助下

438

00:15:39,000—比;00:15:41,133

属于瓦格纳组织

439

00:15:41,900—比;00:15:42,933

最初，

440

00:15:42,933—比;00:15:45,700

第三突击旅反驳了一份声明

441

00:15:45,700—比;00:15:47,666

乌克兰国防部副部长

442

00:15:47,666—比;00:15:50,900

和阿米莉亚表明安德烈卡被夺回了

443

00:15:51,566—比;00:15:53,700

然而周五清晨

444

00:15:53,700—比;00:15:55,166

第三突击旅

445

00:15:55,166—比;00:15:58,000

证实它实际上已经收复了安德烈卡

446

00:15:58,800—比;00:16:00,600

她提到这很有挑战性

447

00:16:00,600—比;00:16:02,933

以及前一天的情况

448

00:16:02,933—比;00:16:05,766

以动态方式多次移位

449

00:16:06,466—比;00:16:09,133

自6月反攻开始以来

450

00:16:09,166—比;00:16:11,366

乌克兰已经重新控制了大约

451

00:16:11,366—比;00:16:13,466

19平方英里的领土

452

00:16:13,466—比;00:16:16,000

巴赫曼附近50平方公里的区域

453

00:16:16,000—比;00:16:17,300

根据Mellier的说法

454

00:16:18,100—比;00:16:19,366

在六月底

455

00:16:19,400—比;00:16:22,200

瓦格纳的领袖叶夫根尼·普里加森带领他的手下离开

456

00:16:22,200—比;00:16:23,800

东乌克兰进入俄罗斯

457

00:16:23,800—比;00:16:24,466

作为

458

00:16:24,466—比;00:16:26,500

短暂的反抗代表了最伟大的

459

00:16:26,500—比;00:16:27,400

总统威胁

460

00:16:27,400—比;00:16:28,766

普京的统治

461

00:16:28,766—比;00:16:31,566

在执政20多年后，他放弃了对俄罗斯的统治

462

00:16:32,466—比;00:16:33,766

两个月后

463

00:16:33,766—比;00:16:36,366

普里格森和他的一些高级副手

464

00:16:36,366—比;00:16:37,866

死于一架神秘的飞机

465

00:16:37,866—比;00:16:41,066
在从莫斯科飞往圣彼得堡的途中坠毁

466
00:16:41,700—比;00:16:43,366
在过去的三个月

467
00:16:43,366—比;00:16:45,366
乌克兰军队一直在努力

468
00:16:45,366—比;00:16:48,266
从南面和北面包围后援

469
00:16:48,266—比;00:16:50,200
他们已经取得了渐进式的进步

470
00:16:50,200—比;00:16:51,166
朝着他们的目标前进

471
00:16:52,100—比;00:16:53,733
然而，军事领导人

472
00:16:53,733—比;00:16:55,466
说他们成功了吗

473
00:16:55,466—比;00:16:58,500
使俄国士兵保持原位而使他们疲惫不堪

474
00:16:59,133—比;00:17:01,166
分析人士和美国官员都这么认为

475
00:17:01,166—比;00:17:03,300
质疑资源的消耗

476
00:17:03,300—比;00:17:04,266
在城市周围

477
00:17:04,933—比;00:17:06,533

在达涅茨克地区

478

00:17:06,533—比;00:17:08,666

安德里夫卡社区可能会被发现

479

00:17:08,666—比;00:17:11,666

坐落在库尔迪亚和米夫卡社区之间

480

00:17:11,700—比;00:17:13,700

以及克列什夫卡山的高度

481

00:17:14,366—比;00:17:15,200

乌克兰的

482

00:17:15,200—比;00:17:17,900

总参谋部表示，冲突一直处于缓和状态

483

00:17:17,900—比;00:17:19,600

超高强度

484

00:17:20,466—比;00:17:22,366

作为反攻的一部分

485

00:17:22,366—比;00:17:23,100

它的人是

486

00:17:23,100—比;00:17:25,500

也要为重大伤亡负责

487

00:17:25,500—比;00:17:27,400

在邻近的克里什卡村

488

00:17:28,133—比;00:17:30,333

南方的胜利被认为是

489

00:17:30,333—比;00:17:31,866

更重要的战略意义

490

00:17:31,866—比;00:17:32,533

因为他们带来了

491

00:17:32,533—比;00:17:35,600

乌克兰军队离我们越来越近了

492

00:17:35,733—比;00:17:36,600

他们在哪里好呢

493

00:17:36,600—比;00:17:39,133

准备切断陆地走廊

494

00:17:39,133—比;00:17:40,966

通往克里米亚半岛

495

00:17:40,966—比;00:17:43,900

是俄罗斯2014年从乌克兰夺取的吗

496

00:17:45,066—比;00:17:47,566

这将是恢复的关键一步

497

00:17:47,566—比;00:17:49,533

克里米亚半岛的控制权

498

00:17:50,166—比;00:17:53,133

如果克里米亚与俄罗斯其他地区断绝联系

499

00:17:53,166—比;00:17:53,700

俄罗斯

500

00:17:53,700—比;00:17:56,300

南部的占领区将被分割

501

00:17:56,300—比;00:17:58,600

以及莫斯科在南部的补给线

502

00:17:58,600—比;00:17:59,666
会被削弱

503

00:18:00,333—比;00:18:02,966
据乌克兰总统办公室称

504

00:18:03,000—比;00:18:04,466
冲突地区的炮击

505

00:18:04,466—比;00:18:06,333
导致一人死亡

506

00:18:06,333—比;00:18:08,366
另有6人受伤

507

00:18:08,933—比;00:18:09,766
除了

508

00:18:09,766—比;00:18:11,933
据称已经进行了空袭

509

00:18:11,933—比;00:18:13,566
向沃德盖镇发起进攻

510

00:18:13,666—比;00:18:16,166
它位于萨帕里亚省

511

00:18:17,066—比;00:18:20,266
同样在周五，普京表示超过300人

512

00:18:20,266—比;00:18:22,066
000名俄罗斯公民已经签名

513

00:18:22,066—比;00:18:24,333
今年的志愿军合同

514

00:18:24,466—比;00:18:26,866
强调他们行为背后的动机

515
00:18:26,866—比;00:18:28,566
我们非常爱国

516
00:18:29,266—比;00:18:30,066
好

517
00:18:30,566—比;00:18:31,366
好

518
00:18:32,000—比;00:18:34,100
自从冲突开始以来

519
00:18:34,100—比;00:18:35,466
俄罗斯和乌克兰

520
00:18:35,566—比;00:18:36,466
车臣武装力量

521
00:18:36,466—比;00:18:38,500
一直是焦点的显著量

522
00:18:38,500—比;00:18:39,300
注意

523
00:18:40,066—比;00:18:41,933
车臣士兵正在被派遣

524
00:18:41,933—比;00:18:42,933
提供支持

525
00:18:42,933—比;00:18:44,366
俄罗斯士兵

526
00:18:44,400—比;00:18:45,333

特别是在

527

00:18:45,333—比;00:18:47,966

俄罗斯军队驻扎的许多地点

528

00:18:47,966—比;00:18:48,900

挑战

529

00:18:49,566—比;00:18:51,300

实际上作为一种支持

530

00:18:51,333—比;00:18:52,166

可能不是

531

00:18:52,166—比;00:18:54,066

这样说完全正确

532

00:18:54,066—比;00:18:55,700

卡季罗夫的车臣士兵

533

00:18:55,700—比;00:18:57,300

被用作诱饵吗

534

00:18:58,066—比;00:18:59,300

哈迪罗夫是傀儡

535

00:18:59,300—比;00:19:00,066

车臣领导人

536

00:19:00,066—比;00:19:01,133

谁是忠诚的

537

00:19:01,133—比;00:19:03,400

俄罗斯联邦总统雇员

538

00:19:03,400—比;00:19:04,566

弗拉基米尔·普京(Vladimir Putin)

539

00:19:05,300—比;00:19:07,766

可以找到大多数车臣士兵

540

00:19:07,766—比;00:19:09,400

在前线地区

541

00:19:09,400—比;00:19:12,266

乌克兰军队在哪里取得进展

542

00:19:12,800—比;00:19:15,066

你知道，这是防线的最前线

543

00:19:15,066—比;00:19:16,566

被俄军占领

544

00:19:16,566—比;00:19:18,600

无数的地点就在边缘

545

00:19:18,600—比;00:19:19,700

分裂

546

00:19:20,266—比;00:19:22,966

增援部队必须不断增援

547

00:19:22,966—比;00:19:24,766

派往这些地区

548

00:19:25,333—比;00:19:26,400

另一方面

549

00:19:26,533—比;00:19:26,900

它是

550

00:19:26,900—比;00:19:29,366

我很怀疑俄罗斯武装部队会这么做

551

00:19:29,366—比;00:19:30,766

提供这样的支持

552

00:19:30,766—比;00:19:31,566

此时此刻

553

00:19:32,300—比;00:19:34,866

结果是车臣军队

554

00:19:34,866—比;00:19:37,533

被部署到各自的领土

555

00:19:38,166—比;00:19:40,333

车臣军队传来了坏消息

556

00:19:40,333—比;00:19:42,566

就在他们被派往前线的时候

557

00:19:42,566—比;00:19:44,900

以满足俄军的要求

558

00:19:45,500—比;00:19:47,166

有趣的新进展

559

00:19:47,166—比;00:19:49,200

关于车臣共和国领导人的报道

560

00:19:49,300—比;00:19:50,733

斋月Khadirov

561

00:19:50,766—比;00:19:51,866

产生了伟大的

562

00:19:51,866—比;00:19:54,266

消息来源令人惊讶

563

00:19:54,800—比;00:19:58,466
问题是拉马赞·哈迪拉夫到底在哪里

564
00:19:59,166—比;00:19:59,733
让我们

565
00:19:59,733—比;00:20:02,133
一起来看看最新的发展

566
00:20:02,133—比;00:20:02,933
我们

567
00:20:03,566—比;00:20:05,100
最近有来自

568
00:20:05,100—比;00:20:07,000
乌克兰和俄罗斯媒体认为

569
00:20:07,000—比;00:20:08,666
车臣共和国的领导人

570
00:20:08,733—比;00:20:11,366
拉马赞·哈迪拉夫目前生病了

571
00:20:12,100—比;00:20:12,933
起初

572
00:20:13,000—比;00:20:15,800
这些说法并没有受到太多关注

573
00:20:15,800—比;00:20:18,100
因为没有关于原因的信息

574
00:20:18,100—比;00:20:20,500
车臣领导人因...而住院

575
00:20:20,500—比;00:20:21,300

治疗

576

00:20:21,800—比;00:20:22,900

另一方面

577

00:20:22,966—比;00:20:24,133

主要智能

578

00:20:24,133—比;00:20:24,800

董事的

579

00:20:24,800—比;00:20:26,733

乌克兰已经向公众传播

580

00:20:26,733—比;00:20:29,200

对哈迪罗夫的重大指控

581

00:20:29,866—比;00:20:30,733

在那之后

582

00:20:30,733—比;00:20:33,400

日程上增加了许多不同的事情

583

00:20:34,066—比;00:20:36,300

俄罗斯总统的忠实傀儡

584

00:20:36,300—比;00:20:38,700

联邦拉马丹·哈迪罗夫

585

00:20:38,700—比;00:20:39,800

会增加声誉吗

586

00:20:39,800—比;00:20:43,000

昏迷了很长一段时间

587

00:20:43,866—比;00:20:45,066

除此之外

588

00:20:45,066—比;00:20:47,666

在前线服役的车臣士兵

589

00:20:47,666—比;00:20:49,733

被蒙在鼓里吗

590

00:20:49,733—比;00:20:50,700

大约一个星期

591

00:20:51,466—比;00:20:52,400

俄罗斯和

592

00:20:52,400—比;00:20:54,466

车臣的消息来源经历了一个重大的

593

00:20:54,466—比;00:20:55,400

休克期

594

00:20:55,400—比;00:20:57,000

在取得进步之后

595

00:20:57,000—比;00:20:58,533

原始智能

596

00:20:58,533—比;00:20:59,866

乌克兰董事

597

00:21:00,500—比;00:21:03,966

来自俄罗斯的初步报告驳斥了这一说法

598

00:21:04,733—比;00:21:06,466

不过随后的

599

00:21:06,466—比;00:21:09,866

俄罗斯消息人士还报道说，拉马丹·卡迪罗夫

600

00:21:09,900—比;00:21:12,733

车臣人民的领袖处于昏迷状态

601

00:21:13,400—比;00:21:13,733

什么

602

00:21:13,733—比;00:21:17,266

最终与拉布森·卡迪罗夫发生的事情不得而知

603

00:21:17,866—比;00:21:21,300

目前尚不清楚是什么原因导致拉马丹·卡迪罗夫

604

00:21:21,300—比;00:21:23,533

进入意识昏迷状态

605

00:21:24,100—比;00:21:25,166

另一方面

606

00:21:25,300—比;00:21:27,700

有许多不同的观点

607

00:21:27,700—比;00:21:29,000

关于这件事

608

00:21:29,766—比;00:21:31,666

其中一项指控说

609

00:21:31,666—比;00:21:33,466

很长一段时间

610

00:21:33,533—比;00:21:36,200

拉姆桑·卡迪罗夫一直在应对一场

611

00:21:36,200—比;00:21:37,466

慢性疾病

612

00:21:38,066—比;00:21:39,266
这正是原因所在

613
00:21:39,266—比;00:21:41,000
他想参与到战斗中来

614
00:21:41,000—比;00:21:42,066
在整个战争期间

615
00:21:42,866—比;00:21:46,266
弗拉基米尔·普京，俄罗斯联邦总统

616
00:21:46,266—比;00:21:47,300
另一方面

617
00:21:47,400—比;00:21:49,400
拒绝了哈迪罗夫的请求

618
00:21:50,133—比;00:21:52,733
哈迪罗夫有时会被指派

619
00:21:52,733—比;00:21:54,666
前往前线去见

620
00:21:54,666—比;00:21:55,933
车臣武装力量

621
00:21:56,500—比;00:21:57,733
同时

622
00:21:57,766—比;00:21:58,300
他一直在

623
00:21:58,300—比;00:22:00,933
被要求参与的部署和管理

624
00:22:00,933—比;00:22:02,133

车臣武装力量

625

00:22:02,133—比;00:22:04,300

但卡蒂罗夫的尸体已经不在

626

00:22:04,300—比;00:22:05,866

能够处理和平

00:22:06,600—比;00:22:09,000

因为他的病对他的影响

628

00:22:09,000—比;00:22:11,733

卡蒂罗夫也精疲力尽了

629

00:22:12,500—比;00:22:14,133

因此

630

00:22:14,166—比;00:22:17,300

卡蒂罗夫因严重的中风而进入昏迷状态

631

00:22:17,300—比;00:22:20,600

除了这一指控外，还有疾病

632

00:22:20,666—比;00:22:22,333

还有另一种说法应该如此

633

00:22:22,333—比;00:22:24,700

也被认为是非常重要的

634

00:22:25,333—比;00:22:27,966

更有说服力的事实是我们相信

635

00:22:27,966—比;00:22:30,866

这个断言很有可能是正确的

636

00:22:31,766—比;00:22:33,500

你也知道最近几个月

637

00:22:33,500—比;00:22:35,900

一架载有瓦格纳的飞机

638

00:22:35,900—比;00:22:36,933

叶夫根尼·Perkygen

639

00:22:36,933—比;00:22:39,166

在俄罗斯境内坠毁

640

00:22:39,200—比;00:22:41,466

叶夫根尼·珀基根失去了生命

641

00:22:41,466—比;00:22:43,566

因为这次飞机失事

642

00:22:44,266—比;00:22:46,000

过了一段时间

643

00:22:46,000—比;00:22:48,400

许多不同的消息来源断言普京

644

00:22:48,400—比;00:22:51,133

亲自下令谋杀Percogen

645

00:22:51,800—比;00:22:54,000

也根据你的评估

646

00:22:54,000—比;00:22:55,400

免责声明是准确的

647

00:22:55,400—比;00:22:57,266

因为Percogen企图发动政变

648

00:22:57,266—比;00:22:59,066

造成了重大损失

649

00:22:59,066—比;00:23:00,600
对普京的影响

650
00:23:01,266—比;00:23:02,933
我们知道Pregigen是

651
00:23:02,933—比;00:23:04,700
兴奋的可能性

652
00:23:04,700—比;00:23:06,300
领导俄罗斯联邦

653
00:23:07,000—比;00:23:08,300
在权力的斗争中

654
00:23:08,300—比;00:23:10,733
发生在俄罗斯联邦境内

655
00:23:10,766—比;00:23:14,100
他甚至是普京最强大的对手之一

656
00:23:14,733—比;00:23:15,800
另一方面

657
00:23:15,900—比;00:23:17,766
瓦格纳集团的指挥官

658
00:23:17,766—比;00:23:20,466
耶夫蒂尼·普雷吉根也来了

659
00:23:21,100—比;00:23:23,866
对手是车臣人民的领袖

660
00:23:23,866—比;00:23:25,333
Ramazon Cadirov

661
00:23:25,966—比;00:23:29,300

普京和普雷吉根都是卡迪罗夫的对手

662

00:23:29,300—比;00:23:30,066

在他们的时代

663

00:23:30,066—比;00:23:30,866

在电力

664

00:23:31,666—比;00:23:32,666

另一方面

665

00:23:32,766—比;00:23:34,500

哈迪罗夫则比较克制

666

00:23:34,500—比;00:23:36,866

以及结构的平稳发展

667

00:23:37,566—比;00:23:40,266

尽管他在这场权力斗争中无能为力

668

00:23:40,500—比;00:23:42,900

他是一个危险的候选人，因为

669

00:23:42,900—比;00:23:44,533

车臣军队正在执行

670

00:23:44,533—比;00:23:46,400

关键任务时的时刻

671

00:23:46,400—比;00:23:47,966

俄国军队被解散

672

00:23:47,966—比;00:23:50,200

他们都被腐蚀成了哈迪罗夫

673

00:23:50,966—比;00:23:52,200

这发生在这一点上

674

00:23:52,200—比;00:23:54,366

俄国军队被解散的地方

675

00:23:54,966—比;00:23:56,333

除此之外

676

00:23:56,366—比;00:23:57,400

车臣领导人

677

00:23:57,400—比;00:24:00,500

父亲多年前卷入了一场冲突

678

00:24:01,200—比;00:24:02,800

在这场战争中

679

00:24:02,933—比;00:24:03,566

俄罗斯

680

00:24:03,566—比;00:24:05,900

经历了整个历史上最黑暗的一天

681

00:24:05,900—比;00:24:06,866

存在

682

00:24:07,533—比;00:24:10,366

俄罗斯政府需要保持严格的控制

683

00:24:10,366—比;00:24:12,366

在车臣人民之上

684

00:24:12,366—比;00:24:14,800

因为他们对国家构成了威胁

685

00:24:15,466—比;00:24:18,333

即使拉姆桑·哈迪拉夫是普京的盟友

686

00:24:18,333—比;00:24:21,166

他仍然是车臣人，他构成了威胁

687

00:24:21,800—比;00:24:22,933

这个事实并不

688

00:24:22,933—比;00:24:26,066

改变拉姆桑·哈迪拉夫是车臣人的事实

689

00:24:26,733—比;00:24:30,100

你知道弗拉基米尔·普京，俄罗斯的领导人

690

00:24:30,100—比;00:24:32,400

有一个极端偏执的世界观

691

00:24:33,100—比;00:24:34,600

普京能够发现一个

692

00:24:34,600—比;00:24:37,166

在任何特定问题上对他进行威胁

693

00:24:37,166—比;00:24:39,500

他毫不犹豫地雇佣了一名广角球员

694

00:24:39,500—比;00:24:42,766

各种各样的策略，以消除这些危险

695

00:24:43,466—比;00:24:45,533

有一些有趣的说法提到

696

00:24:45,533—比;00:24:46,666

弗拉基米尔·普京(Vladimir Putin)

697

00:24:46,700—比;00:24:47,966

俄罗斯的领导人

698

00:24:47,966—比;00:24:50,800
与拉姆桑·卡迪罗夫的斩首有关

699
00:24:50,800—比;00:24:52,666
车臣共和国的领导人

700
00:24:53,466—比;00:24:55,200
如前所述

701
00:24:55,300—比;00:24:55,900
车臣人

702
00:24:55,900—比;00:24:58,533
在历史上代表着一种重要的安全

703
00:24:58,533—比;00:24:59,700
俄罗斯的风险

704
00:25:00,366—比;00:25:02,600
车臣领导人拉姆森的重要性

705
00:25:02,600—比;00:25:03,800
哈迪拉夫和车臣

706
00:25:03,800—比;00:25:06,100
耶夫吉尼死后，军队增加了

707
00:25:06,100—比;00:25:08,366
预防措施和撤下瓦格纳

708
00:25:08,366—比;00:25:09,766
来自前线的团队

709
00:25:10,400—比;00:25:13,066
尽管车臣人越来越重要

710
00:25:13,066—比;00:25:15,933

他们不应该获得如此高的权威

711

00:25:16,566—比;00:25:18,200

因此

712

00:25:18,266—比;00:25:21,066

弗拉基米尔·普京(Vladimir Putin)很有可能下台

713

00:25:21,066—比;00:25:23,266

俄罗斯联邦总统

714

00:25:23,333—比;00:25:26,266

是杀害卡蒂罗夫的凶手吗

715

00:25:26,933—比;00:25:28,800

然而，重要的是要保持

716

00:25:28,800—比;00:25:30,700

考虑到我们的这些担忧

717

00:25:30,700—比;00:25:31,533

带来的是

718

00:25:31,533—比;00:25:33,166

仍然是自然界的断言

719

00:25:34,066—比;00:25:35,733

不管拉姆桑·卡迪罗夫是不是

720

00:25:35,733—比;00:25:37,966

从昏迷中苏醒会告诉我们

721

00:25:37,966—比;00:25:39,533

无论这一指控是否属实

722

00:25:39,533—比;00:25:41,900

有什么新的变化吗

723

00:25:42,466—比;00:25:44,466

此外还有一项索赔

724

00:25:44,466—比;00:25:46,666

关于拉姆桑·卡迪罗夫的情况

725

00:25:46,666—比;00:25:48,166

治疗提出了这样的想法

726

00:25:48,166—比;00:25:48,700

弗拉基米尔·

727

00:25:48,700—比;00:25:51,366

普京下令毒死这位车臣领导人

728

00:25:52,100—比;00:25:53,266

有问题的索赔

729

00:25:53,266—比;00:25:55,600

车臣的拉姆桑·哈迪罗夫

730

00:25:55,600—比;00:25:56,666

无法治疗

731

00:25:56,666—比;00:25:57,900

因为那家医院

732

00:25:57,900—比;00:26:00,566

车臣缺乏必要的资源

733

00:26:01,133—比;00:26:02,366

结果是

734

00:26:02,366—比;00:26:04,800

车臣当局得出结论，他们的

735

00:26:04,800—比;00:26:07,766

哈迪罗夫应该去俄罗斯

736

00:26:08,466—比;00:26:09,533

另一方面

737

00:26:09,666—比;00:26:12,100

俄罗斯医疗机构拒绝治疗

738

00:26:12,100—比;00:26:13,266

车臣指挥官

739

00:26:13,933—比;00:26:14,933

正因为如此

740

00:26:14,933—比;00:26:16,333

决定送

741

00:26:16,333—比;00:26:18,000

车臣共和国的领导人

742

00:26:18,066—比;00:26:19,466

Ramsan Cadirov

743

00:26:19,466—比;00:26:22,166

去阿拉伯联合酋长国接受治疗

744

00:26:22,900—比;00:26:26,000

然而，关于最近的正式公告

745

00:26:26,000—比;00:26:28,533

拉姆桑·卡迪罗夫的身份还没有确定

746

00:26:28,533—比;00:26:30,733

然而到目前为止

747

00:26:30,733—比;00:26:32,533

拉姆桑·卡迪罗夫的情况

748

00:26:32,533—比;00:26:33,166

据说是

749

00:26:33,166—比;00:26:36,266

本地来源和内部来源都很重要

750

00:26:36,266—比;00:26:37,300

车臣政府

751

00:26:37,966—比;00:26:39,966

此外还有车臣士兵

752

00:26:39,966—比;00:26:41,866

现在在乌克兰军队服役

753

00:26:41,866—比;00:26:42,966

我在小心翼翼地

754

00:26:42,966—比;00:26:44,400

关注最新信息

755

00:26:44,400—比;00:26:47,200

关于卡迪罗夫的健康状况

756

00:26:48,066—比;00:26:48,966

据陈说

757

00:26:48,966—比;00:26:49,766

士兵们

758

00:26:49,766—比;00:26:52,000

目前在乌克兰军队服役

759

00:26:52,066—比;00:26:53,100

陈兵

760

00:26:53,100—比;00:26:54,933

目前在俄罗斯军队服役

761

00:26:54,933—比;00:26:56,666

对这方面不了解吗

762

00:26:56,666—比;00:26:57,966

Khadrov的条件

763

00:26:58,666—比;00:27:00,866

主要情报部门的声明

764

00:27:00,866—比;00:27:01,933

乌克兰理事会

765

00:27:01,933—比;00:27:04,166

把这个消息告诉了这些人

766

00:27:04,166—比;00:27:05,100

军队也是如此

767

00:27:06,000—比;00:27:06,933

结果是

768

00:27:06,933—比;00:27:09,566

在俄罗斯军队中服役的车臣士兵感到一种恐惧

769

00:27:09,566—比;00:27:12,100

对车臣人都有巨大的怨恨

770

00:27:12,100—比;00:27:14,133

领导和俄罗斯军队

771

00:27:14,766—比;00:27:15,800

车臣民族

772

00:27:15,800—比;00:27:18,466
是一个无序的组织

773

00:27:18,466—比;00:27:19,900
俄罗斯政府内部

774

00:27:20,600—比;00:27:22,333
总的来说，领导人是另一回事

775

00:27:22,333—比;00:27:24,100
需要考虑的重要因素

776

00:27:24,766—比;00:27:27,066
如果拉马赞·哈迪罗夫

777

00:27:27,066—比;00:27:29,800
车臣叛军领袖被杀

778

00:27:29,866—比;00:27:31,966
在车臣军队服役的士兵

779

00:27:31,966—比;00:27:32,733
俄罗斯军队

780

00:27:32,733—比;00:27:35,466
他们会放弃参与冲突吗

781

00:27:36,100—比;00:27:37,933
由于这种困境

782

00:27:37,933—比;00:27:40,733
驻扎在前线的俄罗斯军队

783

00:27:40,733—比;00:27:44,300
特别是防线陷入混乱

784

00:27:45,000—比;00:27:47,133
另外，如你所知

785
00:27:47,266—比;00:27:49,700
车臣士兵负责防守

786
00:27:49,700—比;00:27:50,500
俄罗斯边境

787
00:27:50,500—比;00:27:51,866
在一些地方

788
00:27:52,400—比;00:27:54,100
这是有可能的

789
00:27:54,100—比;00:27:55,533
车臣士兵将停止战斗

790
00:27:55,533—比;00:27:57,100
守卫着俄罗斯的边境

791
00:27:57,100—比;00:27:59,466
在已经描述的场景下

792
00:28:00,066—比;00:28:01,300
在这个场景中

793
00:28:01,333—比;00:28:04,266
俄罗斯将处于非常危险的境地

794
00:28:04,866—比;00:28:06,666
你对此有何看法

795
00:28:07,400—比;00:28:09,333
你对可能发生的事有什么想法

796
00:28:09,333—比;00:28:10,133

Khadirov

797

00:28:10,866—比;00:28:11,300

你是什么?

798

00:28:11,300—比;00:28:12,333

对指控的看法

799

00:28:12,333—比;00:28:14,400

普京参与了一场

800

00:28:14,400—比;00:28:15,533

刺杀总统

801

00:28:16,133—比;00:28:18,066

如果哈迪拉夫死了

802

00:28:18,166—比;00:28:20,266

那会对战争产生多大的影响啊

803

00:28:21,000—比;00:28:21,300

将

804

00:28:21,300—比;00:28:24,366

车臣军队加入了乌克兰军队的行列

805

00:28:25,000—比;00:28:26,166

什么样的影响

806

00:28:26,166—比;00:28:28,533

这是否影响了人们对战争的信心

807

00:28:29,200—比;00:28:31,200

会有第三次冲突吗

808

00:28:31,200—比;00:28:32,600

车臣和俄罗斯

809

00:28:33,300—比;00:28:35,466

在评论区记下它

810

00:28:36,200—比;00:28:36,800

评级

811

00:28:36,800—比;00:28:40,000

我们会考虑你们所有的反馈
